INTRODUCTION

Welcome to the Wisconsin Correctional Center System (WCCS). Our goal is to provide a safe and secure environment with programs and activities to assist in your reentry to the community.

You have been placed in minimum custody and are expected to demonstrate your ability to comply with rules and expectations. MSCC staff are here to help you learn and will monitor your behavior to ensure compliance with rules, promote public safety, and hold you accountable for the decisions you make. You are expected to be an active participant in case planning, which begins upon your arrival at MSCC.

Your past decisions have impacted many lives and have created many obligations and liabilities for you. You have a personal responsibility to victims and to the community for the crimes that you have committed. It is expected that you practice good decision-making skills while at MSCC and during your assignment in the community, if you receive one. You are expected to respect yourself and those in authority, as well as other inmates and their property. You are expected to work hard and comply with rules.

Our programs and activities are designed to prepare you for reentry to the community as a responsible and productive citizen. You will find the staff to be experienced and sincerely interested in your progress. Do not hesitate to ask them for help with your issues or concerns. You are encouraged to use the opportunities provided so that your community reentry is safe and successful.

You are required to follow direction given to you by staff. If you disagree, you may request to discuss the issue following the identified chain of command located in this handbook or you may file an inmate complaint using form DOC-400. There is zero tolerance for profanity and aggression toward individuals with whom you come in contact.

It is your responsibility to read and be familiar with the contents of this handbook. Contact staff if you need help reading or understanding these rules. Additional rules and information will be posted throughout the center. You will be charged \$3.00 if you damage or lose this handbook.

AFFORDABLE CARE ACT (ACA) COMPLIANCE

The DOC provides inmates nearing release the opportunity to apply for Wisconsin's Medicaid programs in accordance and compliance with the Affordable Care Act (ACA). Applications will be submitted via telephone, and procedures for call facilitation vary at each center.

1. With the exception of inpatient hospital stays, inmates cannot use Medicaid services until release.
2. Center staff will provide information to inmates about health care system changes and health coverage options through reentry planning.
3. Center staff will provide paper applications and information on the DOC process for applying for Wisconsin's Medicaid programs prior to release. Staff will also provide the application, instructions, and information about applying for health insurance purchases from the federal Marketplace after release.
4. The pre-release ACA application process will allow releasing offenders the opportunity to access mental health, substance use disorder, and medical treatment and other covered services as needed after release.

AMERICANS WITH DISABILITIES ACT (ADA) COMPLIANCE

In accordance with Department of Adult Institutions (DAI) Policy 300.00.35—Americans with Disabilities Act (ADA), DAI will ensure fair and equitable treatment of inmates and members of the public with disabilities who seek access to DAI services, programs or activities. The center's ADA Coordinators are listed on the Contact List which is posted in your unit. To request consideration for accommodation under the ADA, please complete the top portion of the DOC-643 Interview/Information Request form and forward your request to an ADA Coordinator.

Secure Deposits-Wisconsin DOC
PO Box 12486
St. Louis, MO 63132

Make payable to Access Secure Deposits and have offenders name and ID on the money order or check (10 Day Hold) and mail with the completed Access Money Order Deposit Slip (available online) (black or blue ink only) to the above address.

Funds may also be deposited into an inmates account by going to **AccessCorrections.com**, by calling **1-866-345-1884** or at **Cash Walk-In sites**. To find locations, go to **CashPayToday.com**.

Funds are typically deposited into the inmates account within three business days. Upon receipt in the WCCS Business Office, activity will be posted to your regular account and a receipt mailed to you at the center. The transaction will also be listed on the Trust Account Statement provided to you by center staff.

The WCCS Business Office or facilities will no longer accept Money Orders, Western Union, or Cashier Checks.

In the event a money order or check is received at the Center, you will need to provide a postage-paid envelope and the money order/check will be sent to the original sender in the envelope you provide. Center staff will not forward money orders or checks.

MONTHLY TRANSFER OF FUNDS FOR CANTEEN PURPOSES: Inmates who are active on work release the first day of the current month are eligible for transfer of funds from their work release account to their regular account up to the maximum of \$42.00 per week for canteen or regular account spending. The funds must be available in your work release account at the time of transfer. If the maximum amount was not available in your work release account at the time the monthly transfer occurred but funds are now available, submit a Disbursement Request to center staff to request the remaining balance be transferred within the next two months. Contact center staff when you think you are eligible for a transfer of funds, but nothing is listed on your Trust Account Statement. WCCS Business Office staff will review your account and funds will be transferred if appropriate.

PAYROLL: Institution payroll is processed BI-WEEKLY. You will be paid for the number of expected hours of work for your work assignment. If you find any discrepancies, write to the Office Support Staff stating what the discrepancy is. The information will be verified and corrected if needed.

ROOM AND BOARD: Room, Board and Transportation fees for inmates on work release will be deducted as work release compensation and posted to the inmate's trust account by the WCCS Business Office. This may occur after you have been released. Deductions are based on the percentages and limits provided in DAI Policy 309.45.02 Inmate Trust System Deductions. Occasional delays in posting of work release compensation may occur due to incomplete information submitted by the employer or due to workload in the Business Office. The date of the posting of work release compensation to your account, not the month in which the money is earned, is the date used for determining room, board and transportation charges. This means that if the pay period ends during one month and is not received until the following month, charges apply for the month received in the Business Office. Note that, due to lay-offs, job changes, etc., you may not be working when your paycheck arrives at the Business Office. You are still responsible for room, board and transportation charges.

RELEASE INFORMATION: Seven to fourteen work days prior to your release from MSCC, your account will be closed. Your agent determines if you will be released with all of your funds or if your funds will be managed by your agent for reasons noted on the DOC 0015-"Offender Release Authorization". You will also receive further closeout information from the Office Support Staff upon the closing of your accounts.

It is your responsibility to notify your employer of your new address so that they may mail your tax statements to you at the end of the year. All checks, including funds while on work release, must be sent to the WCCS Business Office for processing.

The WCCS Business Office will hold up to \$75.00 from your funds available at release to cover purchases not yet received. A final close out of the trust account will be completed once all transactions have been posted to your account. This may take up to 6 weeks if you were on work release.

BUS TICKETS: At least 45 days prior to your scheduled release, complete an interview request and submit to your social worker, indicating your release date and where you need to go. If you are being released to an out-of-state placement, information will be sent back to you regarding the amount of the ticket and the procedure for submitting a disbursement request.

PRISON RAPE ELIMINATION ACT (PREA)

YOU HAVE THE RIGHT TO BE SAFE FROM SEXUAL ABUSE, SEXUAL HARASSMENT AND REPORT-RELATED RETALIATION

The Wisconsin Department of Corrections (DOC) values safety—that includes keeping you safe from others while you are serving your sentence.

The DOC has **zero tolerance** for sexual abuse and sexual harassment within its facilities.

Sexual abuse and sexual harassment among inmates and among staff and inmates in confinement is against the law. Violators will be disciplined and may be referred to outside law enforcement for prosecution.

The Prison Rape Elimination Act (PREA) was signed into law in 2003 after unanimous support from Congress and years of pressure from advocates and survivors. PREA extends far beyond the elimination of rape in prison; it is the first federal law to support preventing, detecting and responding to sexual abuse and sexual harassment in all confinement settings.

In response, the Wisconsin Department of Corrections put policies and procedures in place to help keep you safe and to make it possible for you to get help if you've been sexually abused, sexually harassed or experience report-related retaliation. DOC is committed to investigating all reports, offering support to all victims and pursuing discipline for all perpetrators.

Wisconsin Statute § 940.225(2)(h), Administrative Code Chapter DOC 303 and DOC Executive Directive 72 reflect this commitment.

To report any of the above activities, inmates may notify any staff person in person or in writing; dial 777 (internal reporting hotline); dial 888 (external reporting hotline); submit a grievance; tell a family member, friend or support person (they may report on your behalf); call local law enforcement. An inmate pin number is not needed when dialing 777 or 888.

Please refer to your PREA handbook and postings in the center for more detailed information about sexual abuse, sexual harassment and reporting. If you have lost or misplaced your PREA handbook please request a new one.

REENTRY

REENTRY VISION STATEMENT: Promote public safety and offender success from admission to custody through reentry and supervision in the community.

The public is best served if you are not only held accountable for your actions, but also have the opportunity to become a law abiding and successful member of the community when released. The goals of reentry are crime reduction, fewer new crime victims, reduced state and local criminal justice costs, and safer families and communities. To accomplish these goals, reentry programs at the centers are made available to you for participation, such as, but not limited to pre-release curriculum modules, obtaining ID and vital documents, establishing portfolios, parole planning, and JobNet searching.

The Department’s reentry initiative means that we engage offenders, as early as possible and challenge them, motivate them, and encourage them to change. Effective offender reentry also includes quality risk assessment and strong supervision practices proportionate to the level of risk to the public safety. We also focus on key factors that help offenders succeed and become law abiding citizens-including employment, alcohol and drug treatment, housing, and positive support from families and organizations.

WORK RELEASE

The primary goal of the Wisconsin Correctional Center System is to prepare you for release to the community. The objective for centers with work release is to help you obtain employment that will allow you to develop good work habits, pay your obligations, and save money for release. A monitoring period is required prior to obtaining approval for work release as well as any other requirements according to DAI 324.00.01. This allows us to monitor your work habits and make an evaluation when placing you on work release. Remember, work release is a privilege. Amongst other criteria, the center staff evaluate your risk for placement in the community by considering the following: your offense history, risk assessment, conduct history, length of sentence, and victim concerns. Other factors, such as the local job market, your individual work skills, and your willingness to work, also play a vital role in your placement on work release.

WORK RELEASE AGREEMENT: To participate in work release the work release coordinator will require you to sign the following:

1. A DOC-372 Work Release Agreement form to indicate your agreement with the rules, regulations and provisions listed.
2. A DOC-371 Offender's Statement of Financial Obligations form.

WORK RELEASE GUIDELINES:

1. You must have a community custody classification to be eligible for work release.
2. The Superintendent must grant final approval for participation unless your case requires Warden approval.

3. You may not terminate your employment (quit your job), without the prior approval of the Work Release Coordinator.
4. You must sign and obey all work rules of the employer.
5. Being approved for the work release program does not guarantee you a work release job.
6. To the degree possible, the Work Release Coordinator will attempt to match your skills to available jobs.
7. The Work Release Coordinator will assist you in arranging job interviews; you may not make appointments without the consent of the Work Release Coordinator.
8. Going off grounds for interviews is subject to center staff and transportation availability
9. You must sign in and out whenever leaving for or returning from work.

REQUIRED IDENTIFICATION FOR WORK: Two forms of identification are required by federal law and may include the following:

If needed, the Work Release Coordinator or the Employment Support Specialist will assist you in obtaining these items.
