The inmate population includes inmates serving Wisconsin sentences, Federal sentences, or sentences from another state. It also includes inmates who have been temporarily confined due to violations of community supervision. Budget information is all operation costs, which include DAI administration, food, and health care. Offense information is based on each inmate’s most serious active offense. Offenders without a serious active offense are removed from this part of the analysis.

The listed percentages may not add up to 100% due to rounding.

† Includes mild to serious
