

DAI Policy 300.00.12 Earned Release Programs
Attachment B - CIP and ERP Dosage and Supporting Program Availability
Revised: August 29, 2018

A supporting program anger management (A/M), domestic violence (DV), cognitive-behavioral program (CBP)) is completed when the inmate has an assigned need and the program is available. **Minimum arrival time is a guideline**
used for case planning. DAI resources, bed management and sentence structure will impact arrival and may not allow for arrival at minimum time frames.
