DEFINITIONS, ACRONYMS, AND FORMS

ACA – Affordable Care Act

BHS – Bureau of Health Services

Bifurcated – A bifurcated sentence consists of a term of confinement in prison followed by a term of extended supervision. The total length of a bifurcated sentence equals the length of the term of confinement in prison plus the length of the term of extended supervision.

BOCM – Bureau of Offender Classification and Movement

Correctional Offender Management Profiling for Alternative Sanctions (COMPAS) – An actuarial assessment tool which has been validated on a national norming population. It predicts the general likelihood that those with a similar history of offending are either less likely or more likely to commit another crime generally within the two year period following release from custody. The COMPAS assessment does not attempt to predict specifically the likelihood that an offender shall commit a certain type of offense within the same two year period, nor does it designate external classification inmate custody. In addition to identifying general levels of risk to re-offend, COMPAS also identifies criminogenic needs specific to that inmate which are most likely to affect future criminal behavior.

PROCEDURE

I. Statutory Eligibility

Inmates shall be advised at intake of the statutory criteria per Wisconsin Statutes s. 302.113(9g).

An inmate who is serving a bifurcated sentence for a crime, other than a Class A or B felony, may seek modification of the bifurcated sentence if he or she meets one of the following criteria per Wisconsin Statutes s. 302.113(9g):

- A. Is 65 years of age or older and has served at least five years of the term of confinement in prison portion of the bifurcated sentence. Inmate shall serve the specified time on each count.
- B. Is 60 years of age or older and has served at least 10 years of the term of confinement in prison portion of the bifurcated sentence. Inmate shall serve the specified time on each count.
- C. Has an EHC.

II. Submission of a Geriatric/EHC Petition

- A. An eligible petitioner may submit a petition to the BOCM office at the facility where the inmate is located or to the assigned BOCM office.
- B. The petitioner shall submit a complete petition packet that includes:
 1. DOC-2501.
 2. DOC-745.
 3. DOC-1163J.
 4. Two medical affidavits from two physicians when alleging an EHC.

- a. The physicians shall describe the symptoms, description of limitations in functioning and prognosis.
- b. One medical affidavit must be submitted on DOC-3612 and be completed by a DOC physician presently treating the inmate.
 - i. Affidavits require a notary.
 - ii. Coordination and completion of medical affidavits and/or DOC-3612 may require assistance from the inmate's on-site HSU staff.
 - iii. Medical affidavits shall be completed within 90 days of the date the petition is submitted to BOCM.

III. Petition Process

- A. The BOCM Director shall designate a regional OCS to chair the PRC reviewing the petitions. The designated OCS shall have training in processing Geriatric/EHC petitions to determine if public interest may be served by a modification of the bifurcated sentence.
- B. Upon receipt of a petition, BOCM staff shall review the petition documents to ensure the petition is complete. A complete petition shall include:
 1. DOC-2501.
 2. DOC-745.
 3. DOC-1163J.
 4. Two medical affidavits from two physicians when alleging an EHC.
- C. Incomplete petitions shall be returned to the petitioner indicating the reason for the return. The petitioner may resubmit a complete petition packet.
- D. If the petition is complete the BOCM office shall obtain the following:
 1. DOC-172.
 2. DOC-327A or most recent sentence computation.
 3. JOC(s) for the applicable cases.
 4. DOC-2250 Request completion by the Records Office for all cases associated with the petition.
- E. The on-site OCS shall consult with the designated regional OCS to determine if the inmate meets the statutory criteria to petition upon receipt of the completed petition and documents identified in Section III.D.1-4.
- F. Upon receipt of a petition and determination of statutory eligibility, the Warden/designee of the site the inmate is located shall be notified.
- G. The receipt of a petition shall be documented in the designated information management system(s) by the regional OCS receiving the petition.
- H. If the inmate does not meet the statutory criteria to petition:
 1. The regional OCS shall complete the DOC-2501 and distribute.
 2. The petition packet shall be returned to the petitioner.
