PROCEDURE

I. General

- A. Protective confinement is a non-punitive status.
 1. Inmates who require protective confinement should not be placed in RH, if alternatives are available.
 2. Alternatives include, but are not limited to:
 - a. Alternative housing within the facility as determined by the Security Director in consultation with the Security Chief.
 - b. SPN transfer to another facility in GP.
 - c. ICC/out of state placement.
 - d. A protective confinement placement into RH may be utilized with approval of the Warden.
- B. Inmates at high risk for sexual victimization shall not be placed in involuntary restrictive housing unless an assessment of all available alternatives has been made, and a determination has been made there is no available alternative means of separation from likely abusers. An inmate shall not be held for more than 24 hours pending this assessment.
- C. The inmate shall be allowed privileges and property consistent with the allowed property for the unit to which they are assigned.
 1. At a minimum, property equal to that provided for inmates in step three of disciplinary separation status.
 2. Additional privileges and property may be provided subject to the rules governing the location of the unit in which the inmate is placed.
 3. Inmates at high risk for sexual victimization shall have access to programs, privileges, education and work opportunities to the extent possible. If access is restricted, the facility shall document which opportunities have been limited; the duration of the limitation; and the reasons for such limitations.
- D. Inmates in long-term protective confinement status shall have a maximum custody status.

II. Facilities Shall:

- A. Receive and review inmate's written request for placement.
- B. Determine if safety concerns warranting protective confinement placement are present.

DAI Policy #: 306.05.01	New Effective Date: 07/01/18	Page 3 of 4
Chapter: 306 Security		
Subject: Protective Confinement		

- C. Place inmate in TLU status or alternative housing pending investigation of potential safety concerns, if necessary. Document reason for placement on DOC-67.
- D. Place the inmate in protective confinement if additional security precautions are necessary to ensure for the safety and welfare of the inmate.
- E. Ensure inmate's protective confinement placement is reviewed every 30 days to determine if placement remains necessary. Document reviews of existing protective confinement placement on DOC-30.
- F. Refer long-term protective confinement status inmates to the RC.
- G. Review inmate's written request to be released from protective confinement.
- H. Release inmate from protective confinement if conditions which warranted protective confinement no longer exist.

III. Inmates Shall:

- A. Submit completed DOC-1116 to the Security Director/designee for placement in protective confinement and the specific reasons for the placement.
- B. Direct requests for consideration of release to the Security Director/designee. State specific reasons for request of removal from protective confinement status and why the additional security measures are no longer necessary.
