

DAI 309.15.01 Law Library
Attachment A – Legal Research Collection
Effective Date: 10/31/23

The EILLS System (Electronic Inmate Law Library System), a computer-based legal research system used by the Wisconsin Department of Corrections, is the primary legal research tool and provides inmates with access to the majority of the core resources. In addition to EILLS, the core collection contains a limited number of printed materials.
