II. Receiving Complaints Alleging Staff Misconduct

When an ICE receives a complaint alleging staff misconduct of a non-sexual nature, the ICE may interview the inmate or refer the complaint directly to the Warden/designee.

- A. If interviewed, the inmate shall be advised of the provisions in this policy and of Wisconsin Administrative Code s. DOC 303.32 and a written statement signed by the inmate shall be obtained by the ICE.
- B. Refusal of the interview, refusal to provide details or refusal to sign the statement shall result in dismissal of the complaint for failure to cooperate.
- C. After interviewing the inmate, if the ICE has reason to believe staff misconduct may have occurred, the ICE shall immediately suspend the complaint investigation and review with the Warden/designee.
- D. Following the review of the complaint and/or the inmate's statement and meeting with the ICE, the Warden/designee shall determine whether or not there is adequate evidence of a work rule violation to initiate the investigatory process.

III. Processing Complaints which allege Staff Misconduct or Staff Sexual Misconduct

- A. If the Warden/designee determines an investigation of alleged staff misconduct is warranted, the following shall occur:
 1. The ICE shall enter a recommendation to the Warden/designee for the complaint to be dismissed and further processed pursuant to the applicable personnel rules, citing either DAI Policy 310.00.01 or Executive Directive 72.
 2. The Warden/designee enters a decision on the complaint removing it from the ICRS and thus waiving the inmate's confidentiality rights in accordance with Wisconsin Administrative Code s. DOC 310.16(4).
 3. The inmate shall be notified of the Warden/designee's decision consistent with Wisconsin Administrative Code s. DOC 310.11(1).
 4. The complaint shall be removed from the ICRS pending an investigation to be conducted by a supervisor.
 5. The investigation process is regulated by state law which protects the privacy and due process rights of staff and no further information shall be given to the complainant.

IV. Complaint Investigation When Staff Misconduct is Not Initially Apparent

- A. If during the course of an interview staff inadvertently acknowledge violation of a work rule, the ICE shall immediately terminate the interview.
- B. The ICE shall not interview staff who may be subject to disciplinary action if there is reason to believe such an interview may compromise a subsequent disciplinary investigation.
