Chapter: 500 Health Services		
Subject: Organ Transplants/Donations		

- A. Organs of a deceased PIOC may be offered for donation for transplantation if the PIOC makes the request before they die. See DAI Policy 500.00.01 regarding Advance Directives for Health Care.
- B. The facility Warden/designee, BHS Director of Healthcare Administration and Medical Director shall be notified when PIOC or relatives request donation of organs upon death.
- C. Relatives of deceased PIOC may request organ donation. However, the wishes of relatives cannot override a PIOC directives regarding organ donation contained in an activated Power of Attorney for Health Care under Wisconsin Statutes Ch. 155.
- D. Organs may be donated for transplant upon death only if the medical examiner and/or county-coroner has been contacted and has given permission for a modified autopsy and organ donation.
- E. A PIOC may donate organs to relatives if the procedure is conducted in a hospital approved by the DOC and completely paid for by the recipient of the organ, including additional expenses incurred by the DOC.
 - 1. A formal letter of intent will need to be written by the PIOC relative's treating ACP indicating transplant eligibility.
 - 2. The Office of Legal Counsel shall be contacted to obtain a written agreement for donation of organs by a PIOC to a relative, ensure all costs will be paid by recipient.
 - 3. The written agreement shall be signed by the relative recipient of a PIOC donated organ.
 - 4. Donation could potentially include a DOC PIOC donating to a relative who is also incarcerated within the DOC. In this case, the DOC would assume related costs.
 - 5. The Paired Kidney Exchange Program may be considered for those PIOC who are interested in being a live organ donor in an effort to assist a relative in obtaining a kidney donation from another donor.
 - 6. Consideration shall be given to transporting an out of state for transplant donation. Utilization of interstate compact is a consideration.
 - 7. A minor cannot consent to organ donation.
 - 8. The DOC will not authorize experimental procedures relating to the donation or receipt of an organ.
- F. PSU shall assess PIOC who wish to donate organs to relatives. Assessment shall include:
 - 1. Assurance there is no coercion by the relatives.
 - 2. Determination of capacity for decision-making.
 - 3. PSU shall also provide services as necessary for PIOC either donating or receiving an organ as indicated.
