PROCEDURES

- I. Refill of Medications From CPS
 - A. Medication refills are automatically calculated by the EMR based on date of issuance to patient in the HSU.
 - B. Staff shall initiate the reorder of the following medications through the EMR:
 1. Controlled substances-see DAI Policy 500.80.10
 2. Compounded Medications
 3. IV Piggyback

- II. Obtaining DEA Controlled Stock Medications for HSU Use
Refer to DAI Policy 500.80.10 for obtaining controlled substances.

- III. Obtaining OTC Medications
 - A. All facilities are expected to maintain supplies of stock OTCs to meet the needs of inmate patients.

 - B. All DAI HSUs shall purchase selected OTC medications from the approved vendor.

DAI Policy #: 500.80.06 (E)	New Effective Date: 02/16/18	Page 3 of 5
Chapter: 500 Health Services		
Subject: Obtaining Medications (EMR)		

- C. Obtain medications from the approved vendor in the following manner:
 1. CPS provides the facilities with the most current order list from the vendor. This is posted on the DOC intranet site and is considered the standard formulary for OTC medications.
 2. CPS shall be contacted by the facility if an approved formulary item is not available to order from the vendor.
 - a. Do not contact the vendor for an alternative order number.
 - b. CPS shall provide order numbers for alternatives that are on contract.
 3. Orders shall be checked for accuracy at the time of delivery and any discrepancies shall be reported immediately to the vendor.
 4. A return authorization form shall be obtained from the vendor prior to returning any items.
 5. Invoices shall be verified for accuracy, and submitted to BHS promptly for payment.

- D. Facilities shall order supply items from CPS by faxing/global scanning a pharmacy requisition or utilizing the facility specific stock reorder sheet

IV. Obtaining Medications From a Local Pharmacy

- A. Facilities shall use a local pharmacy vendor when CPS is unable to timely fill a patient medication prescription order. Alternatives shall be identified by the HSM or Nurse Clinician 4 for WCCS.

- B. Medications ordered from a local pharmacy shall be limited only to the amount needed until a supply can be obtained from CPS. The local supply shall not exceed seven days.
- C. Medications shall be requested in blister pack whenever possible.

- D. Medications received from a local pharmacy may need to be repackaged into a blister pack by a nurse at the facility if the local pharmacy is unable to package.

- E. All Schedule II controlled substances require a written prescription on DOC-92A.

- F. All DEA controlled medications obtained from a local pharmacy require the prescriber's facility DEA number.

- G. All purchases from a local pharmacy vendor shall be paid for with a BHS P-card or established process.

- H. The HSM or the NC-4 in WCCS is responsible for oversight of all medication purchases and P-Card management.

V. Obtaining Contingency Stock Prescription Medications

DAI Policy #: 500.80.06 (E)	New Effective Date: 02/16/18	Page 4 of 5
Chapter: 500 Health Services		
Subject: Obtaining Medications (EMR)		

- A. The Pharmacy and Therapeutics Committee has established a master contingency stock medication list to meet imminent or emergent inmate patient needs at each facility. This list is posted on the DOC intranet site.
- B. A facility specific contingency stock list and quantity chosen from the master contingency stock list shall be developed for each facility.
 - 1. This list shall be based on ACP preference.
 - 2. Reviewed periodically by the ACP and the HSM for revision based on changes in prescribing habits, and a review of medications that need to be obtained from the local pharmacy
- C. Only the CPS Director may approve a medication that is not on the master contingency list. Requests along with the justification of need shall be submitted to the CPS Director.
