RE: Suspension of Administrative Rules

Effective immediately, I am suspending administrative rules pursuant to DOC Administrative Code DOC Section 306.22.

The purpose of this suspension of administrative rules is to provide OCI further flexibility to respond as needed to minimize risk of exposure and spread of virus. Maintaining the safety, health and well-being of staff and persons in our care is our priority. We will be evaluating this suspension on a regular basis in an effort to restore normal operations as soon as possible.
