PAID LEAVE

Vacation is earned from the first day of employment, but cannot be used until the employee has worked for six months. Sick Leave is earned at the rate of five hours every two weeks for full-time employees. Unused sick leave accumulates from year to year. Upon retirement, the state supplements a certain amount of the unused sick leave and the entire balance can be converted at the employee's highest hourly rate to pay for health insurance premiums.

Rates below are based on 1-5 years of full-time service.
