Governor Tony Evers / Secretary Jared Hoy

Dodge Correctional Institution

MEMO

DATE: February 24, 2025
TO: PIOC Family and Friends
FROM: Deputy Warden, Troy Smith
SUBJECT: Visiting Room Vending Machines

In an effort to improve convenience and ease-of-use, Dodge Correctional Institution will be running a 2-week trial period where family and friends will be allowed to bring in one credit/debit card to use in the vending machines. The trial period will begin on March 10, 2025. During this time, we will work with the owner of the machines to determine if the card reader technology will work in a reliable manner in the facility.

During the trial period, and in addition to the one debit / credit card, visitors will be allowed to bring in \$25.00 in coins if they wish.

After the trial period, we will assess card reader reliability and decide what one method of vending machine payment we will use going forward. If the card option works, there will not be a spending limit per visit.

Thank you,
