INTRODUCTION

Welcome to the Wisconsin Correctional Center System (WCCS). Our goal is to provide a safe and secure environment with programs and activities to assist in your reentry to the community.

You have been placed in minimum custody and are expected to demonstrate your ability to comply with rules and expectations. FCCC staff are here to help you learn and will monitor your behavior to ensure compliance with rules, promote public safety, and hold you accountable for the decisions you make. You are expected to be an active participant in case planning, which begins upon your arrival at FCCC.

Your past decisions have impacted many lives and have created many obligations and liabilities for you. You have a personal responsibility to victims and to the community for the crimes that you have committed. It is expected that you practice good decision-making skills while at FCCC and during your assignment in the community, if you receive one. You are expected to respect yourself and those in authority, as well as other PIOC's and their property. You are expected to work hard and comply with rules.

Our programs and activities are designed to prepare you for reentry to the community as a responsible and productive citizen. You will find the staff to be experienced and sincerely interested in your progress. Do not hesitate to ask them for help with your issues or concerns. You are encouraged to use the opportunities provided so that your community reentry is safe and successful.

You are required to follow direction given to you by staff. If you disagree, you may request to discuss the issue following the identified chain of command located in this handbook or you may file a complaint using form DOC-400. There is zero tolerance for profanity and aggression toward individuals with whom you come in contact.

It is your responsibility to read and be familiar with the contents of this handbook. Contact staff if you need help reading or understanding these rules. Additional rules and information will be posted throughout the center. You will be charged \$3.00 if you damage or lose this handbook.

In the event a money order or check is received at the Center, you will need to provide a postage-paid envelope and the money order/check will be sent to the original sender in the envelope you provide. Center staff will not forward money orders or checks.

MONTHLY TRANSFER OF FUNDS FOR CANTEEN PURPOSES:

PIOCs who are active on work release are eligible for transfer of funds from their work release account to their regular account up to the maximum of \$65.00 per week for canteen or regular account spending. Room, Board and Transportation fees for PIOC's on work release will be deducted as work release compensation and posted to the PIOC's trust account by the WCCS Business Office. This may occur after you have been released. Deductions are based on the percentages and limits provided in DAI Policy 309.45.02 PIOC Trust System Deductions. Occasional delays in posting of work release compensation may occur due to incomplete information submitted by the employer or due to workload in the Business Office.

The date of the posting of work release compensation to your account, not the month in which the money is earned, is the date used for determining room, board and transportation charges. This means that if the pay period ends during one month and is not received until the following month, charges apply for the month received in the Business Office. Note that, due to lay-offs, job changes, etc., you may not be working when your paycheck arrives at the Business Office. You are still responsible for room, board and transportation charges.

PRISON RAPE ELIMINATION ACT (PREA)

You have the right to be safe from sexual abuse, sexual harassment and report-related retaliation. The Wisconsin Department of Corrections (DOC) values safety – that includes keeping you safe from others while you are serving your sentence. The DOC has zero tolerance for sexual abuse and sexual harassment within its facilities.

Sexual abuse and sexual harassment among PIOC's and among staff and PIOC's in confinement is against the law. Violators will be disciplined and may be referred to outside law enforcement for prosecution.

The Prison Rape Elimination Act (PREA) was signed into law in 2003 after unanimous support from Congress and years of pressure from advocates and survivors. PREA extends far beyond the elimination of rape in prison; it is the first federal law to support preventing, detecting and responding to sexual abuse and sexual harassment in all confinement settings.

In response, the Wisconsin Department of Corrections put policies and procedures in place to help keep you safe and to make it possible for you to get help if you've been sexually abused, sexually harassed or

experience report-related retaliation. DOC is committed to investigating all reports, offering support to all victims and pursuing discipline for all perpetrators.

Wisconsin Statute § 940.225(2)(h), Administrative Code Chapter DOC 303 and DOC Executive Directive 72 reflect this commitment.

Following an incident of sexual abuse, PIOC's may receive ongoing support from internal services such as a medical provider or social worker. PIOC's may also receive support from the community's local sexual assault service provider. They are trained to provide confidential support after sexual abuse. They will listen and provide information and education. Their services are free and are not connected to WI DOC. For telephone support please dial #999.

To report any of the above activities, PIOC's may notify any staff person in person or in writing; dial #777 (internal reporting hotline); dial 888 (external reporting hotline); submit a grievance; tell a family member, friend or support person (they may report on your behalf); call local law enforcement.

An PIOC pin number is not needed when dialing #777, #888 or #999 and these calls are not recorded.

Please refer to your PREA handbook and postings in the center for more detailed information about sexual abuse, sexual harassment and reporting. If you have lost or misplaced your PREA handbook please request a new one.

REENTRY

Reentry Vision Statement: Promote public safety and offender success from admission to custody through reentry and supervision in the community.

The public is best served if you are not only held accountable for your actions, but also have the opportunity to become a law abiding and successful member of the community when released. The goals of reentry are crime reduction, fewer new crime victims, reduced state and local criminal justice costs, and safer families and communities. To accomplish these goals, reentry programs at the centers are made available to you for participation, such as, but not limited to pre-release curriculum modules, obtaining ID and vital documents, establishing portfolios, parole planning, and JobNet searching.

The Department's reentry initiative means that we engage offenders, as early as possible and challenge them, motivate them, and encourage them to change. Effective offender reentry also includes quality risk assessment and strong supervision practices proportionate to the level of risk to the public safety. We also focus on key factors that help offenders succeed and become law abiding citizens-including employment, alcohol and drug treatment, housing, and positive support from families and organizations.
