OSHKOSH CORRECTIONAL
INSTITUTION**

A complete list of visiting rules for all Wisconsin Department of Corrections institutions is available on the WI Department of Corrections website under Division of Adult Institutions Visiting Information. If you do not have internet access, a copy of the rules will be available in the OSCI lobby.

The Oshkosh Correctional Institution is located at 1730 West Snell Road, between Highways 45 and 76 just north of the City of Oshkosh.

VISIT ENTRANCE PROCEDURES

Oshkosh Correctional Institution is a Tobacco Free Environment. Tobacco will **NOT** be allowed to be locked in the lobby lockers upon entrance; it needs to be secured in your vehicle. Smoking or vaping is not allowed on institution grounds or in the parking lot.

Visitors are required to park their vehicles in the designated parking area, with the exception of vehicles with valid handicap permits. This area is in the second row in front of the main entrance. This area is between the two signs marked “visitor parking” and is clearly marked with high visibility green lines. Failure to park in this area without supervisors’ permission may result in your visit being denied. If the designated “visitor parking” is full, visitors are required to inform the lobby security staff.

In accordance with Wisconsin Administrative Code, the parking lot is subject to search for contraband. The Oshkosh Police Department and other local law enforcement agencies will assist in these searches with canine units. The canine unit’s searches may lead to probable cause searches of vehicles by law enforcement if contraband is detected.
