SUBJECT: Visiting Room Vending Machines

Oshkosh Correctional Institution (OSCI) will be transitioning to cashless vending. This transition will take effect April 27, 2026.

Friends and family will be allowed to bring in one credit/debit card in a plastic bag to use in the vending machines. Cash or coins will not be allowed into the institution once this change takes effect. A memo will be posted on the Department of Correction's public website under the "Adult Facilities – Oshkosh Correctional Institution" tab to inform friends and family of this change. Note: This will be posted for 30 days.

We encourage you to pass along and communicate this information to your friends and family so we can have a smooth transition to cashless vending.
