VISITING GUIDELINE
OSHKOSH CORRECTIONAL INSTITUTION

A complete list of visiting rules for all Wisconsin Department of Corrections institutions is available on the WI Department of Corrections website under Division of Adult Institutions Visiting Information. If you do not have internet access, a copy of the rules will be available in the OSCI lobby.

The Oshkosh Correctional Institution is located at 1730 West Snell Road, between Highways 45 and 76 just north of the City of Oshkosh.

VISIT ENTRANCE PROCEDURES
Oshkosh Correctional Institution is a Tobacco Free Environment. Tobacco will NOT be allowed to be locked in the lobby lockers upon entrance; it needs to be secured in your vehicle. Smoking is not allowed on institution grounds or in the parking lot.

Visitors are required to park their vehicles in the designated parking area, with the exception of vehicles with valid handicap permits. This area is in the second row in front of the main entrance. This area is between the two signs marked “visitor parking” and is clearly marked with high visibility green lines. Failure to park in this area without supervisors’ permission may result in your visit being denied. If the designated “visitor parking” is full, visitors are required to inform the lobby security staff.

In accordance with Wisconsin Administrative Code, the parking lot is subject to search for contraband. The Oshkosh Police Department and other local law enforcement agencies will assist in these searches with canine units. The canine unit’s searches may lead to probable cause searches of vehicles by law enforcement if contraband is detected.

down, fingers extended.

  plus three inches, when the visitor stands with

Some Do’s and Don’ts in the visiting room

Visitors will be assigned seating when they enter
the visiting room. Inmates must sit in the chair
designated by the visiting room staff. While seated,
all chairs will be squared up to the tables; chairs
cannot be moved without staff approval.

If you need to use the restroom during your visit,
you must obtain a key from the staff member
located at the sergeants’ desk. You will need to
provide your name and table number prior to
receiving the key. Immediately after you have used
the restroom, you must return the key to the staff
member located at the sergeants’ desk, once again

providing your name and table number. You may
not get the key from or give it to another visitor.

Whether visits are outside or inside, adult visitors
are responsible for the supervision of all minors
accompanying them. Adult visitors are not allowed
to be seated in the children’s play area. Visits may
be terminated due to unruly minors or lack of
supervision of the minors by the inmate and/or the
adult visitors.

The outside area may be opened only at the
security supervisor’s discretion. If you choose to go
outside, you must remain there. If you choose to
come back inside, your visit will end at that time.
The only exception would be inclement weather as
determined by the security supervisor.

While using the outside area, inmates and visitors
may not loiter under the awning. You must be in
plain view of the tower at all times. All outside visits
will take place by the tables, as assigned by the
visiting room staff. There will be no moving of
tables, inside or outside. Inmates will sit where
assigned by staff and visitors will sit across from
the inmate while seated at the picnic tables. You may
not sit on the tabletops or straddle the benches. No
visitors will be allowed to sit on the ground. Visiting
with anyone not sitting at your table is not allowed,
unless special permission has been granted prior to
the visit.

The visiting room restaurant does not accept cash.
All food purchases from the restaurant will be made
by using a money transmittal from the inmate’s
account. ONLY POSTED AMOUNTS CAN BE
USED. There will be no exceptions. Food orders
need to be fully completed at your individual table.
The money transmittal will be verified by the visiting
room staff prior to receiving services. Incomplete
orders will run through as is or as chef’s choice.
There will be no corrections or refunds. The
restaurant is opened on Tuesday, Wednesday and
Thursday. This schedule may change without
notice. Please plan accordingly. Only authorized
staff and inmates may enter the training kitchen
area. Visitors and inmates are prohibited from sharing
or exchanging any food or drink. This includes food
and beverages purchased from the Training Kitchen
as well as the vending machines. Once you take an
individual portion, you are not allowed to share that
with any inmate and inmates are not allowed to
share their portion with any visitor. Violations of this
rule can result in loss of visiting or disciplinary
action including termination of the visit.
