SPECIAL INFORMATION

Wisconsin State Statute 302.095 prohibits delivery of any article to an offender in a state prison, depositing or concealing an article within a state prison or its boundaries or receiving an article to convey out of the institution that is contrary to the rules or without the knowledge / permission of the warden. Any person found in violation may be guilty of a class I felony.

In addition, Wisconsin State Statutes 961.49 and 961.495 prohibit the possession, delivery or distribution of a controlled substance on or within 1000 feet of a correctional facility.

PDCI is committed to maintaining a drug-free institution and will actively investigate and prosecute any individuals bringing drugs into this facility. This facility will take whatever actions are deemed necessary to prohibit the entrance of drugs and other contraband.

Anyone exhibiting signs of intoxication will not be allowed to enter PDCI.

Please note that persons in our care will be expected to undergo a full body scan after a visit in order to prevent contraband being introduced into PDCI.

ARRIVAL

Only 6 pre-approved visitors; minors must be accompanied by an approved adult visitor. You may wait in the parking lot up to 15 minutes prior to your scheduled visit. Late arrival may impact entry – visit may not be extended.

Upon arrival, you will be asked to provide photo identification; ID must remain ready to display to staff during your visit. You must sign the Visitor Register. Your hand will be stamped and you will be required to show this stamp upon exit.

Cell phones, cameras or other electronic devices, personal watches, tobacco products, lighters, matches, pocketknives, and weapons are not allowed in the institution. Secured lockers are provided in the lobby for items that may not be carried into the institution (including wallet, keys, and cell phone – *please turn off ringer*).

Individuals 16 years and older are required to provide photo identification (valid: driver's license, DOT / military / tribal ID card, or passport/visa). An adult on the approved visitor list must accompany any person under the age of 18. Amish visitors who do not have a photo ID may contact the institution to arrange authorization.

METAL DETECTOR

All visitors must clear the metal detector. ***Please avoid wearing excessive jewelry or clothing with metal (e.g. large metal buckles, snaps, or buttons, bib overalls, underwire bras)***

It is the visitor's responsibility to clear the metal detector and shoes may need to be removed in order to do so. Visitors will be given three attempts to successfully pass through the metal detector. An individual unable to clear the metal detector will be denied admission.

SPECIAL ACCOMMODATIONS

Anyone requiring special accommodations for a visit due to a disability/medical need (e.g. medical implants or appliances which do not allow one to clear the metal detector, wheelchair, walker, crutches, Bledsoe boot, brace, etc.) must submit a **"Visitor Requesting Accommodation" form (DOC-2424); the form must be completed by a licensed physician and must be approved by PDCI security department prior to scheduling a visit.** Once verified, the form will be maintained on file for future visits and can be accessed by all DAI institutions where you are approved to visit.

Visitors in wheelchairs must pass through the metal detector and transfer to an institution wheelchair, unless prior arrangements have been approved per the DOC-2424. Neither wheelchairs, nor carts will be provided by PDCI without prior authorization per the DOC-2424.
