

FAMILY DAY

at PDCI

On Saturday, May 3, 2025 PDCI will host 'Family Day' for children of persons in our care (PIOC) (ages 16 and under). Activities designed to promote family skill building and reunification will be offered.

Children (and a guardian/care provider) will be allowed to visit with their dad between 9:30am – 3:30pm (scheduled visits will be staggered for arrival/departure). A family meal will be included.

PIOC must submit an application for family to be pre-approved for visitor entrance that day.

Please direct any questions to the PIOC as we have not yet finalized many details.

Regular visiting hours will be cancelled that day.

All visits must be pre-scheduled.

We apologize for any inconvenience to visitors disrupted by this event.

Approved families will receive correspondence with more information as it becomes available. Questions may be resolved at that time.

THANK YOU
