INTRODUCTION

Welcome to the Wisconsin Women’s Correctional System (WWCS). Our goal is to provide a safe and secure environment with programs and activities to assist in your reentry to the community.

You have been placed in minimum custody and are expected to demonstrate your ability to comply with rules and expectations. REECC staff are here to help you learn and will monitor your behavior to ensure compliance with rules, promote public safety, and hold you accountable for the decisions you make. You are expected to be an active participant in case planning, which begins upon your arrival at REECC.

Your past decisions have impacted many lives and have created many obligations and liabilities for you. You have a personal responsibility to victims and to the community for the crimes that you have committed. It is expected that you practice good decision-making skills while at REECC and during your assignment in the community, if you receive one. You are expected to respect yourself and those in authority, as well as other inmates and their property. You are expected to work hard and comply with rules.

Our programs and activities are designed to prepare you for reentry to the community as a responsible and productive citizen. You will find the staff to be experienced and sincerely interested in your progress. Do not hesitate to ask them for help with your issues or concerns. You are encouraged to use the opportunities provided so that your community reentry is safe and successful.

You are required to follow direction given to you by staff. If you disagree, you may request to discuss the issue following the identified chain of command located in this handbook or you may file an inmate complaint using form DOC-400. There is zero tolerance for profanity and aggression toward individuals with whom you come in contact. This behavior may result in a conduct report and/or transfer to a higher security facility.

It is your responsibility to read and be familiar with the contents of this handbook. Contact staff if you need help reading or understanding these rules. Additional rules and information will be posted throughout the facility. You will be charged $3.00 if you damage or lose this handbook.
ACA COMPLIANCE

The DOC provides inmates nearing release the opportunity to apply for Wisconsin’s Medicaid programs in accordance and compliance with the Affordable Care Act (ACA). Applications will be submitted via telephone, and procedures for call facilitation vary at each facility.

With the exception of inpatient hospital stays, inmates cannot use Medicaid services until release.

Facility staff will provide information to inmates about health care system changes and health coverage options through pre-release programming or reentry planning.

Facility staff will provide paper applications and information on the DOC process for applying for Wisconsin’s Medicaid programs prior to release. Staff will also provide the application, instructions, and information about applying for health insurance purchases from the federal Marketplace after release.

The pre-release ACA application process will allow releasing offenders the opportunity to access mental health, substance use disorder, and medical treatment and other covered services as needed after release.

ADA COMPLIANCE

In accordance with Department of Adult Institutions (DAI) Policy 300.00.35 – Americans with Disabilities Act (ADA), DAI will ensure fair and equitable treatment of inmates and members of the public with disabilities who seek access to DAI services, programs or activities. The facility’s ADA Coordinators are listed on the Contact List which is posted in your unit. To request consideration for accommodation under the ADA, please complete the top portion of the DOC-643 Interview/Information Request form and forward your request to an ADA Coordinator.

CANTEEN

Every two weeks you will receive a Trust Account Statement showing the balances in your accounts and all transactions processed for that time period. You must order according to this balance, no exceptions! If you order more than your posted amount, your order will be denied. If you disagree with your posted balance, you must still order according to what is posted. You will need to drop a slip to the Office Operations Associate to rectify errors.

You will also receive a scan sheet bi-weekly to place your canteen order. If you lose your scan sheet, you will not receive a replacement scan sheet unless you purchase another scan sheet for $0.30 ($0.15/page). Please complete a disbursement request for this stating “canteen scan sheet.”

Your order must be signed or your order will not be placed.

Items purchased through canteen cannot be sent out on visits or through the mail.

In the upper right corner is the area for your DOC #. Your DOC # is a six digit number. Write your DOC # in the boxes provided and then fill in the circles below the corresponding numbers.

If your DOC # has 0’s in the beginning (example: 002316), write your DOC # as 2316 and fill in the circles below the corresponding numbers. The 0’s are not included.

If your DOC # has 0’s at the end (example: 231600), write your DOC # as 231600 and fill in the circles below the corresponding numbers.

FACILITY JOB ASSIGNMENTS

Facility jobs are necessary to maintain facility operations. Facility staff will determine, hire and schedule inmates for job assignments. Available work assignments will be posted on the bulletin boards in the housing units describing the job duties and requirements of the job and the assigned pay range. Inmates may apply to these positions by filling out an Interview Request form and submitting it to the staff member listed on the job posting.

All inmates, including those on work release, may be assigned to a facility job assignment.

Work is supervised and inspected by staff.

Be sure to read the job description and ask staff if you have any questions.

CHANGING/QUITTING JOBS:
Inmates may not quit a job. They may, however, accept another job if approved by their current supervisor. Inmates must give a two week notice with mutual agreement between the inmate and supervisor’s. If you have an agreed upon time commitment (contract) to your current job which is greater than 90 days you need to fulfill that agreement before you are eligible to accept another job.
If you wish to see a staff member or have a question for a staff member, complete a DOC-761 Interview/Information Request form. The forms are located on each unit. You must state exactly why you need to see the staff person or state your question exactly. Your request will be answered as soon as time permits. Please remember staff has 10 working days to provide you an answer.

Do not send the same request to more than one staff member at any one time. Wait for your reply. Follow the chain of command. Do not write to the Superintendent or Captain unless you have attempted to resolve your issue with the appropriate staff. Do not stop and confront staff about your issues. We encourage you to ask questions of our staff and to do so in an appropriate manner via an interview request form. Simply fold your Interview/Information Request form, do not staple, clip, tape or adhere the form in any way.

COMMUNITY SERVICE

Facility community service projects are a way for you to help the community.

Community agency requests are approved by the Captain or Superintendent.

Facility community service projects are voluntary, and you will sign up with facility staff.

Facility staff may assist you in documenting the hours completed.

You are responsible to contact the court for recognition of the hours you completed.

You may not participate in facility community service projects that conflict with your education, program or work release schedules.

COMPLAINT PROCEDURE

The Inmate Complaint Review System (ICRS) provides you a formal grievance process regarding rules, living conditions, and staff actions. You should attempt to resolve the issue yourself using the chain of command before filing a formal complaint. DOC-400 Inmate Complaint forms are available on each housing unit. Each housing unit has a locked complaint mailbox labeled “ICI’s”. You are to place your completed complaints in the “ICI” box. Only Complaints that are placed in this box will be processed. Inmate Complaints must be submitted within 14 days of the event that is causing the complaint. Do not attempt to send a complaint to any specific staff member or your complaint will be returned to you.

The ICRS may be used to seek a change of any facility policy or practice except:

- A finding of guilt or a disposition imposed by the disciplinary hearing officer as the result of a disciplinary hearing.
- A decision of the Program Review Committee or Staffing Committee.
- A decision of the Parole Commission acting in any capacity;
- The denial of a request for an authorized leave as provided in Administrative Code DOC-326.
- A decision on a challenge to an offender’s record.

All of the above exceptions have an appeal process which must be utilized rather than going through the ICRS.

The ICRS may be used to challenge the procedures used by the Due Process Committee or hearing officer, by a Program Review or Staffing Committee, or by a decision maker acting on a request for authorized leave, but not the decision itself.

Section 801.02(7), Wis. Stats., requires that you exhaust the complaint process prior to filing suit in state court against the DOC or a DOC employee.

The Captain acts as the Institution Complaint Examiner (ICE) in the WWCS Centers. The ICE will make an impartial investigation of the complaint using whatever sources are deemed important. The investigator makes a detailed report to the Superintendent, along with a recommendation. The Superintendent reviews the recommendation of the ICE and makes a decision. You will receive a copy of the Superintendent’s decision and information regarding the steps taken by the ICE.

The Inmate Complaint Examiner (ICE) picks up complaints at least two times per week. Within 72 hours of receiving a completed complaint form, the Inmate Complaint Examiner will issue notice to the inmate that the complaint has been received. If this notice is not received, the inmate should contact the ICE.

You are to be as brief and succinct as possible and are only allowed to address one issue in each complaint. If the ICE needs more information you will be contacted for an interview. Only two complaints per week may be filed.

If you disagree with the Superintendent’s decision, you may file a DOC-405 Inmate Complaint Appeal form with the Corrections Complaint Examiner (CCE). The directions to file an appeal are on the form, available on each unit or from the ICE.
CONTRABAND

You are prohibited from possessing any personal information concerning staff and/or other family members of staff. Such information includes, but is not limited to, address, telephone number, driver’s license, school records, financial records, divorce, adoption, or arrest records, and any other unique identifiers.

You are not to have contraband in your possession at any time, including your personal rooms, facility work location, project crew site, and/or work release site. Any item not listed on your property inventory or not authorized by staff is contraband.

When returning from any off-grounds activities or events, you are not permitted to bring any items back to the facility.

COUNTS

A formal count is a count taken at specific times during each 24-hour period. Standing counts require inmates to stand in a pre-designated area at a specified time. REECC has six formal counts throughout the day. The following are the listed times and locations of the mandatory formal and formal standing counts.

FORMAL COUNTS:
2:30 a.m., 4:00 a.m., 6:15 a.m., & 10:30 p.m.
Be in your room and visible until count is clear.

FORMAL STANDING COUNTS:
10:45 a.m. & 3:45 p.m.
Stand in front of your bunk with room light on until count is clear.

Everyone is expected to be at count on time. The only exception for missing count is if you are on work release and return to the facility between 12:00 a.m. and 8:00 a.m. and are asleep. Work release inmates are expected to attend counts if they have been in the facility for eight hours. You must stand for counts if you elect to stay awake after returning from a 3rd shift job. If you are issued a green dot for your door, you are still required to stand for the 10:45 a.m. standing count unless you were working past 2:45 a.m. that morning.

Count is announced via the “all call” system. You must return to your room or the designated area until it is announced that count is “clear”. This includes if you are working on facility grounds unless otherwise directed by a supervisor or a Sergeant.

All housing unit dayrooms, TV rooms, restrooms etc. are closed during count, until cleared via the “all call” system or announced by staff. No movement or talking is allowed and all electronics must be turned off. Any time you are sleeping during counts (including 3rd shift counts) staff must always be able to see flesh or body movement. Do not cover completely up. When sleeping you will be directed to have the pillow located closest to the door of the room.

Inmates who are in an assigned area off of their units during formal count (kitchen, visiting, work crews, etc.) will cease movement and will be counted by staff supervising the area. When the kitchen officer clears the kitchen count kitchen workers may move within the kitchen area only. They are not allowed on the loading dock or dock area, dining room or in the basement until the count is cleared via the “all call” system or announced by staff.

EMERGENCY COUNTS:
Emergency counts are conducted at times other than those specified for formal, standing, or census counts to ensure the immediate accountability of all inmates.

When an emergency count is announced, you are to report to your room, immediately close the door and turn on the lights. You are not to come out of your room or designated area for any reason until the Sergeant announces the count is clear.

**Health Services/Sick Cell and Lay-in**

**Access to Medical, Mental Health and Dental Services**
The Health service unit at REECC employs a Nurse Manager, Medical Program Assistant, Physician, Psychiatrist, Nurse Practitioner and Registered Nurses.

Upon arrival at REECC the Health service staff will review medical records/health transfer summaries and medications. Prescribed medications which are sent to REECC will be checked by the nurses to verify that the medication is current and correct. Once checked, the medications will be sent to the housing unit. If the medication is “Keep on Person” it will be given back to you to take as prescribed. If the medication is “Controlled” it will be placed in the locked medication cart and distributed by an officer. Per DOC policy Health Service Staff have 24 hours to review the medical record and medications.

All appointments in the HSU are scheduled. Appointments lists are posted on the housing units daily. It is your responsibility to check the list. If you miss your appointment, or are late to your appointment, you will be rescheduled at the next available date. If you elect not to be seen, you must still to report to HSU, inform staff that you do not want to be seen and sign a refusal indicating a reason. This is mandatory. Failure to report may result in disciplinary action. If you need to change your appointment, you need to contact HSU before your appointment time.

**Emergencies:**
Notify any staff member of a medical emergency immediately.

An emergency is defined as life threatening and/or needing immediate medical attention.

**Routine Concerns:**
Complete a Health Services Request and Copayment Disbursement Authorization form, DOC-3035. All forms must be signed at the time they are written. Fold the form as noted in the Health Service Request section and place in the facility HSU box.

**Copayment:**
A copayment of $7.50 is charged for requests that result in face-to-face contact with nursing staff. Copayment for “on-going” medical concerns will be determined at the time of the nursing assessment. If you have a
question about a copayment, you may write the HSU Manager for review. Healthcare is not based on ability to pay a copayment and you will be seen regardless of funds in your account. You should never delay or ignore medical concerns based on funding.

You are not charged for written responses, medication refills, medical record review, medical emergencies (as determined by HSU staff), or work-related injuries.

Work-related injuries must be reported to your work supervisor at the time of injury. Upon return to the Facility, you must report the injury to the Work Release Coordinator.

You are not charged for contact with PSU staff.

**INMATE-INITIATED REQUESTS INCLUDE:**
- Requests for health, dental, psychological services made by you
- Request by third parties (others) including:
  - Request for health services on your behalf by a relative
  - Request for health services by an attorney

**NURSING SERVICES:**
Nursing services at REECC are generally available Monday through Friday 9:00 a.m. to 3:00 pm.

**HEALTH PROFESSIONAL REFERRAL:**

Dental and PSU Requests are routed to those department providers for review and response. Nursing staff may call you for an assessment if the providers are not on site. The appropriate staff will be notified of the nursing assessment on their next business day.

Referrals to an outside provider are determined by the physician or nurse practitioner. All referrals are reviewed by the BHS Medical Director or a Medical Supervisor for approval. Appointments are scheduled by the outside clinic when they have an available open appointment time. All recommendations by an outside provider are reviewed by a DOC physician or nurse practitioner. The recommendations may be modified based on BHS or Security policy.

**MEDICATION AND REFILL PROCESS:**
All medication must be kept in the original container and locked in your footlocker or drawer.

Medications may never be sold, loaned, traded or given to another inmate.

To request a refill of your medication, complete a DOC-3035C Medication/Medical Supply Refill Request form. Place the form in the HSU mailbox. You will receive notice of the status of your refill request.

Allow seven days for all medication refill requests to be processed. Do not send additional requests for the same refills. This slows the process down and may result in a delay of getting medications to you and others.

Over-the-counter (OTC) medications must be purchased from canteen.

**ACCESS TO MEDICAL RECORDS:**
To view your medical record or receive photocopies of medical records, you must submit a DOC-3035 Health Services Request and Copayment Disbursement Authorization form to HSU. You will be required to complete a DOC-1163A Authorization for Use and Disclosure of Protected Health Information form before you can receive copies of your medical record.

Upon a request to view your medical record, an appointment will be made within 30 business days. You may take notes while you view your record. You are not allowed to remove anything from your medical record.

The Wisconsin Women’s Correctional System (WWCS) initially implemented this change on April 3, 2017 therefore; all WWCS inmates were made aware of this change by memo posting on March 27, 2017, and subsequently on January 12, 2018.

Access Corrections is the only vendor designated to accept funds on behalf of DAI. Please tell your family and friends to no longer send funds directly to the correctional facility.

Checks and money orders must be sent, along with a deposit slip (available via website or in the institution library), to: Secure Deposits-Wisconsin DOC, PO Box 12486; St. Louis, MO 63132. Funds must be made payable to Access Secure Deposits.

For any other type of disbursement request, ask facility staff for assistance in completing the form.

Facility staff does not forward money orders to the WWCS Business Office.
Upon receipt in the WWCS Business Office, accepted money orders will be posted to your regular account and a receipt mailed to you at the facility. The transaction will also be listed on the Trust Account Statement provided to you by facility staff.

**MONTHLY TRANSFER OF FUNDS FOR CANTEEN PURPOSES:**
Inmates who are active on work release the first day of the current month are eligible for transfer of funds from their work release account to their regular account up to the maximum of $42.00 per week for canteen or regular account spending. The funds must be available in your work release account at the time of transfer. Transfers are for the current month. If the maximum amount was not available in your work release account at the time the monthly transfer occurred but funds are now available, submit an Interview Request to facility staff to request the remaining balance be transferred within the next two months. Contact facility staff when you think you are eligible for a transfer of funds, but nothing is listed on your Trust Account Statement. WWCS Business Office staff will review your account and funds will be transferred if appropriate.

**PAYROLL:**
Facility payroll is processed bi-weekly. You will be paid for the number of expected hours of work for your work assignment. After payroll has been processed and you receive your biweekly Trust Account Statement, verify that your payroll is correct. If you find any discrepancies, write to the Office Support Staff stating what the discrepancy is. The information will be verified and corrected if needed.

**ROOM AND BOARD:**
Room, Board and Transportation fees for inmates on work release will be deducted as work release compensation and posted to the inmate’s trust account by the WWCS Business Office. This may occur after you have been released. Deductions are based on the percentages and limits provided in DAI Policy 309.45.02 Inmate Trust System Deductions. Occasional delays in posting of work release compensation may occur due to incomplete information submitted by the employer or due to workload in the Business Office.

The date of the posting of work release compensation to your account, not the month in which the money is earned, is the date used for determining room, board and transportation charges. This means that if the pay period ends during one month and is not received until the following month, charges apply for the month received in the Business Office. Note that, due to lay-offs, job changes, etc, you may not be working when your paycheck arrives at the Business Office. You are still responsible for room, board and transportation charges.

**RELEASE INFORMATION:**
7-14 work days prior to your release from REECC, your account will be closed. Your agent determines if you will be released with all of your funds or if your funds will be managed by your agent for reasons noted on the DOC 0015-“Offender Release Authorization”. You will also receive further closeout information from the Office Support Staff upon the closing of your accounts.

It is your responsibility to notify your employer of your new address so that they may mail your tax statements to you at the end of the year. All checks, including funds while on work release, must be sent to the WWCS Business Office for processing.

The WWCS Business Office will hold up to $75.00 from your funds available at release to cover purchases not yet received. A final close out of the trust account will be completed once all transactions have been posted to your account. This may take up to six weeks if you were on work release.

**BUS TICKETS:**
At least 45 days prior to your scheduled release, complete an interview request and submit to your social worker, indicating your release date and where you need to go. If you are being released to an out-of-state placement, information will be sent back to you regarding the amount of the ticket and the procedure for submitting a disbursement request.

**LIBRARY**

The library is located on the first floor in the school hallway. Each housing floor has specified periods to attend. These periods are indicated on the sign-up sheets.

Library sign-up sheets are posted on the kitchen bulletin board. Inmates may only sign up during their units designated time periods.

Every inmate that wishes to use the library must have a signed library policy on file with the education department.

Inmates wanting to use the library must sign up the day before on the kitchen bulletin board. If you have not signed up to use the library, it is an unassigned area. The only exception is if you have a pass from the teachers. Do not stop in the library for any reason if you are not signed up to be there, except to drop books in the book return box or slot. Do not loiter or wait to talk to the library clerk. Simply deposit books in the box or slot and leave the area.

The library is to be used for gathering information, checking out and returning books. Letter writing, new magazine review, talking and visiting with other inmates is prohibited.

Conversations with the inmate librarian should pertain to library business only.

Inmates may check out a total of four (4) items at one time.

Books have a due date of two (2) weeks and may be renewed once.

Magazines have a due date of three (3) days and may not be renewed. The newest issues of magazines are available from the librarian and may not be checked out.

If an inmate has materials that are overdue, they may not check out any more materials until the overdue item/s are returned.

Failure to return library materials in a timely fashion may result in the loss of library privileges and/or a conduct report. Books can be returned through the drop slot or dropped in the box near the front desk.

Failure to return overdue books within 10 working days of the due date will have to pay the replacement cost as follows:

Your appearance at the Re-Classification Review Hearing is not mandatory and you may elect to waive the review by informing your social worker.

Following the hearing, inmates will receive an Inmate Classification Report-Re-Classification (ICCR204).

If your Re-Classification Report contains errors you may appeal the final decision by requesting a DOC-1292-Administrative Review of Re-Classification Decision, from your social worker. You may not file an appeal of the Re-Classification action based on disagreement with custody or placement. You must complete the DOC-1292-Administrative Review of Re-Classification form and mail it to:

Reentry Vision Statement: Promote public safety and offender success from admission to custody through reentry and supervision in the community.

The public is best served if you are not only held accountable for your actions, but also have the opportunity to become a law abiding and successful member of the community when released. The goals of reentry are crime reduction, fewer new crime victims, reduced state and local criminal justice costs, and safer families and communities. To accomplish these goals, reentry programs at the facilities are made available to you for participation, such as, but not limited to pre-release curriculum modules, obtaining ID and vital documents, establishing portfolios, parole planning, and JobNet searching.

The Department’s reentry initiative means that we engage offenders, as early as possible and challenge them, motivate them, and encourage them to change. Effective offender reentry also includes quality risk assessment and strong supervision practices proportionate to the level of risk to the public safety. We also focus on key factors that help offenders succeed and become law abiding citizens—including employment, alcohol and drug treatment, housing, and positive support from families and organizations.

DAI policy establishes guidelines for the electronic monitoring and recording of inmate activities without your awareness. It does not apply to staff observations, exposed cameras, intercoms, or other monitoring systems of which inmates should be reasonably aware.

Through this form of surveillance, the facility will gather information on inmate activities that may jeopardize facility security. These activities may include drug dealing, gang and disruptive group activity, or other illicit activity. Information gathered may be used in any fashion deemed appropriate by the DOC, the facility, or law enforcement authorities including, but not limited to, administrative action, due process, program review, parole hearings and criminal prosecution.

A full strip search of your person can be conducted at any time, either randomly or for cause in accordance with DAI Policy.

A strip search is done for the security of the facility, NOT to embarrass or ridicule you.

Pat Searches:
A pat search may be conducted at any time, either randomly or for cause.

Room Searches:
A room search may be conducted at any time, either randomly or for cause.

Any contraband found will be removed from your room.

You will receive written notification of any confiscated items.

URINALYSIS (UA)/BREATHALYZER:
Urine and breath tests will be conducted at any time, on a random or for-cause basis in accordance with DAI Policy.

If you are unable to submit a urine sample, you will be provided a set amount of water and a limited amount of time to produce a urine sample. You will be required to wait in a designated area during this time.

You may request a confirmation test if UA results are positive.

SECURITY THREAT GROUPS

Security Threat Group activity in any form is prohibited. If you are found to be in possession of, wearing, manufacturing, or distributing any gang-related materials or participating in gang-related activities, you will be issued a conduct report.

WORK RELEASE

The primary goal of the Wisconsin Women’s Correctional System is to prepare you for release to the community. The objective for facilities with work release is to help you obtain employment that will allow you to develop good work habits, pay your obligations, and save money for release. A monitoring period is required prior to obtaining approval for work release as well as any other requirements according to DAI policy. This allows us to monitor your work habits and make an evaluation when placing you on work release. Remember, work release is a privilege. Amongst other criteria, the facility staff will evaluate your risk for placement in the community by considering the following: your offense history, risk assessment, conduct history, length of sentence, and victim concerns. Other factors, such as the local job market, your individual work skills, and your willingness to work, also play a vital role in your placement on work release.
WORK RELEASE AGREEMENT:
To participate in work release the work release coordinator will require you to sign the following:
1. A DOC-372 Work Release Agreement form to indicate your agreement with the rules, regulations and provisions listed.

WORK RELEASE GUIDELINES:
1. You must have a community custody classification to be eligible for work release.
2. The Superintendent must grant final approval for participation unless your case requires Warden approval.
3. You may not terminate your employment (quit your job), without the prior approval of the Work Release Coordinator.
4. You must sign and obey all work rules of the employer.
5. Being approved for the work release program does not guarantee you a work release job.
6. To the degree possible, the Work Release Coordinator will attempt to match your skills to available jobs.
7. The Work Release Coordinator will assist you in arranging job interviews; you may not make appointments without the consent of the Work Release Coordinator.
8. Going off grounds for interviews is subject to facility staff and transportation availability.
9. You must sign in and out whenever leaving for or returning from work.

REQUIRED IDENTIFICATION FOR WORK:
Two forms of identification are required by federal law and may include the following:
- Birth Certificate
- Driver’s License
- State ID
- Social Security Card

If needed, the Work Release Coordinator or the Employment Support Specialist will assist you in obtaining these.

WORK RELEASE CLOTHING/EQUIPMENT:
1. You must provide your own clothing for work release.
2. The work release coordinator may assist you in ordering clothing.
3. You have 60 days from the date you start working to order work-related clothing.
4. State-issued clothing, jackets, and boots are not authorized for work release once you are given the opportunity to purchase clothing.
5. Equipment purchased for work release must be kept at your job site.
