Re: In-Person visitation at Redgranite Correctional Institution

In-Person visitation at Redgranite Correctional Institution will be suspended from September 23, 2024 through September 30, 2024 due to circumstances beyond our control. Visitation will resume October 1, 2024.

We understand the importance of In-Person visits and thank you for your patience and understanding.

We would like to remind you that video kiosk visiting will still be available.
