**1501 ALBERT STREET, RACINE WI 53404 (262) 638-1999**

**RYOCF SPECIFIC VISITING RULES**

RYOCF strives to provide meaningful opportunities to Person's In Our Care (PIOC) and their visitors to maintain contact. To visit in person or by video, each visitor will need to establish an ICS account or update their current account with their unique Party ID. Visitors will need to follow the directions provided with the visiting list and on the ICS website <https://ICSolutions.com>. If you are having difficulty scheduling you can contact customer service through the ICS website or by phone at 1-888-506-8407.

PIOC must provide friends/family with the unique Party ID listed next to the visitor's name on the visiting list, in order for an ICS account to be created for visits. Visiting lists have been delivered to all PIOC. Any issues with Party IDs can be directed to [DOCDAIElectronicVisitSupport@wisconsin.gov](mailto:DOCDAIElectronicVisitSupport@wisconsin.gov). **RYOCF staff cannot help with Party ID questions.**

Based on the schedule and availability of the visits and the operations of the facility, PIOC at RYOCF will have the opportunity for four 2-hour in-person visits and unlimited video visits per week. Video visits will be charged \$2.50 per visit. Charges will apply even if PIOC or visitor are a no-show for the visit. Visits can be scheduled no less than 48 hours and up to two weeks in advance of the visit date and time. Visits are on a first come first served basis.

There are unlimited video calls per week; however, video calls and in-person visits must be scheduled in ICSolutions at least 60 minutes apart from the end of previous visit/or call. A maximum of three (3) visitors may visit at one time video calls. All visitors must be on the PIOC approved Visitor List and on the ICSolutions video call list for the day. Minors (under 18) must be accompanied by an adult.

Each visitor must have an ICS account and be listed on the visit reservation. Each visitor will be required to show ID at the beginning of video visits and when entering the facility for in-person visits. Anytime during the video visit, a visitor may be asked to show their ID. This process is consistent with all other DAI facilities.

Rules during the video visit are to be acknowledged electronically at the beginning of each visit on the ICS website. Any visit may be terminated if any DOC or facility rules have been violated.

**Visitors may sign in 10 minutes late to a video visit. If you are late or don't cancel soon enough, call will still be charged. If the facility cancels the visit due to operations, a refund will be issued.**

**If a visitor is more than 20 minutes late for an in-person visit, they will not be allowed to enter the facility and the visit will be cancelled.**

If the PIOC is scheduled for a video visit, but they move units, their calls may not be transferred. If there is a time-slot on the new unit, the visit will automatically be transferred, otherwise it may be cancelled.

**NUMBER OF VISITORS**
