From: Captain Stiefvater
RE: Visitation Information

Beginning April 01, 2022, The Wisconsin Department of Correction (DOC) will resume normal visitation hours as listed below.

Due to preventative measures related to COVID-19, capacity in visitation areas has been decreased, but Sanger B. Powers Correctional Center (SPCC) will attempt, when possible, to honor up to two face-to-face visiting periods each week for each person in our care. Initial demand for in-person visits is expected to be high.

Visitors are asked to schedule their in-person visits at least two business days (excludes Saturdays, Sundays and holidays) in advance. The center will not schedule visit requests more than two weeks in advance. Visitors may only schedule one visit per day with the same person in our care.

Procedure

1. Visitors must have previously completed a Visitor Questionnaire (DOC-21AA) and be on your approved visiting list.

Visits can be scheduled by emailing the addresses below:

DOCWCCSSPCCZoomVisits@wisconsin.gov

The email should include the following information:

**Name of PIOC and DOC#, Name of visitors, and requested date of visit
(Provide a 1st and 2nd choice)**

2. Visiting schedule is as follows:

Saturday and Holidays: 09:00 a.m. - 11:30 a.m. & 1:00 p.m. - 4:00 p.m.

Sunday: 1:00 p.m. - 4:00 p.m.

Wednesday: 7:00 p.m. – 09:00 p.m.

If a holiday falls on a Wednesday there will not be any evening visits.

Visitors are encouraged to schedule in person visits by email. Once your visit has been scheduled, you will receive a confirmation by email indicating the date and time. Those without internet access can call the institution's main line. When requesting by telephone visitors may call back after one business day to verify the date and time of the visit.

Whether calling or emailing, visitors are asked to specify whether they are requesting a zoom or in-person visit.

In addition to the new scheduling process for visitors, there are several updated visitation guidelines designed to protect persons in our care, visitors and DOC staff. Those include:

Specific guidelines for in-person visits include:

- A COVID-19 screening (temperature and symptoms check) by security staff.
- Brief hugs are allowed at the beginning and end of visit; kisses are not allowed.
- Hand holding and sitting on laps is not allowed.
- Appointing Authorities have discretion to address how young children and infants can interact with PIOC.
- Food and/or drink are allowed, but cannot be shared amongst visitors and PIOC.
- All chairs and tables will be sanitized between visits.
- The children's area shall not be available as it is difficult to sanitize between usage.
- General Visiting Rules will be enforced. You can find those rules and more information about visitation on our Visiting Information page.
- PIOC are not allowed to handle money and or be allowed at the vending machines.
