RE: Video Visits and In-Person Scheduling

Effective July 3, Sanger Powers Correctional center will begin using ICSolutions(ICS) to schedule in person visits and video visits, beginning with visits on July 17 . Zoom Visits will be discontinued as of July 17. To visit in person or by video, the visitor will need to establish an ICS account or update their current account with their unique Party ID. Visitors will need to follow the directions provided with the visiting list and on the ICS website WWW.icsolutions.com

Persons in our Care must provide their friends and family with the unique Party ID listed next to the visitor's name on the visiting list, in order for an ICS account to be created for visits. Visiting lists and directions on how to create an account have all been given to inmates and posted in the library. Any issues with Party IDs can be directed to DOCDAlElectronicVisitsSupport@wisconsin.gov. SPCC staff cannot help with Party ID questions.

Visitors must schedule in person or video visits at least 48 hours in advance and no more than fourteen (14) days in advance.
