- C. Refer to Attachment A of this policy for entering program statuses in WICS.

- A. Designated staff shall utilize the WICS Program Status Search to establish a list of potential inmates to be considered for enrollment into a primary program. Contract facilitators may be designees in this process.
- B. Program enrollment is based upon Risk, Need and Responsivity principles in combination with the review of several factors including, but not limited to:
 1. COMPAS Risk Level Recommendation; priority given to high and moderate risk inmates.
