- B. Any paid program participation changes shall be documented in accordance with DAI Policy 309.55.01.
- C. Refer to Attachment A of this policy for entering program statuses in WICS.

### **II. Assignment of Primary Programs and WICS Tracking Status**

- A. Upon arrival at a DAI intake site, inmates are assessed and evaluated for primary program needs during the Initial Classification process completed by BOCM.
- B. When a primary program need is assigned the BOCM staff shall enter the most applicable tracking status into WICS.
- C. At each reclassification hearing the assignment and/or removal of the primary programs shall be reviewed and the WICS tracking status updated as required.

### **III. Primary Program Enrollment Process**

- A. Designated staff shall utilize the WICS Program Status Search to establish a list of potential inmates to be considered for enrollment into a primary program. Contract facilitators may be designees in this process.
- B. Program enrollment is based upon Risk, Need and Responsivity principles in combination with the review of several factors including, but not limited to:
  1. COMPAS Risk Level Recommendation; priority given to high and moderate risk inmates.
  2. Program resources.
  3. Case dynamics.
  4. Adjusted release date.
  5. Amenability to programming.
  6. Professional judgment.
  7. Aggravating/mitigating factors.

  - C. Inmates with program needs who are eligible and suitable for earned release programs (ERP, CIP, RRS), SOT and/or have a PMR may be enrolled into a primary program regardless of COMPAS Risk Level Recommendation.
  - D. Once an inmate is identified for possible program enrollment the program provider shall conduct an interview with the inmate and encourage participation.
