Re: Electronics Loan Program

Beginning January 1, 2021, Milwaukee Women's Correctional Center (MWCC) will begin offering an Electronics Loan Program. MWCC was fortunate to receive a donation of fans from community members, allowing MWCC to begin loaning fans. In addition to loaning fans, other electronics such as television or alarm clock may be available for loan.

Criteria for Electronics Loan:

- Less than \$25 in your General Account.
- Alternate to Revocation (ATR) status.
- Less than 3 months to release.
- Requested electronics is not noted on your Property sheet.

Electronics Assignment:

- Request a fan or other electronics by completing an Interview / Information Request to the Electronics Loan Program. Include how much money is in your General Account and your release date.
- If you meet the qualifications, you will be assigned electronics based on availability.
- A Loan Agreement will be completed with you.
- Requested Electronic will be assigned to you and noted on your Property Inventory.
