Reentry Resources Handout

The General Resources for Releasing Offenders handout contains contact information for community-based resources such as food, clothing, shelter, employment and education, medical assistance, etc., to assist individuals who are transitioning back into Wisconsin communities.

Social Worker/Treatment Specialist Responsibilities:

At the start of release planning, the Social Worker or Treatment Specialist will provide a copy of the handout to the individual.

NOTE: This document will be updated routinely to reflect current availability of services. Make sure to retrieve the latest version by going to MyDOC > Reentry Unit and click on the link titled, "General Resources for Releasing Offenders".
