

Revised 5/3/22

Alternative to Revocation (ATR)

Overview

Alternative to Revocation (ATR) placements are established in DAI when there are programs that serve to address issues and promote restoration of the offender to community supervision. The structured programs consist of evidence based practices that are cognitive and skill based. Available programs are:

MALES

- Sex Offender Treatment (SOT)

FEMALES

- Dual Diagnosis (including the following curriculum)
 - Helping Women Recover
 - Connections
 - Beyond Violence
 - Moving On
- Substance Use Disorder Program

DAI ATR referrals begin with the Agent submitting the DOC-2265 (Institution ATR Referral) to the appropriate mailbox – males: DOC DAI ATR Referral Male and females: DOC DAI ATR Referral Female for review and then forwarded to the appropriate program by the individual who monitors those mailboxes.

Social Worker/Treatment Specialist Responsibilities:

Social Workers shall communicate with the DCC agent regarding any significant changes in programming, documenting as appropriate in COMPAS. The social worker shall discuss with the DCC Agent the tentative completion date of the program so that plans can be arranged for release from the facility – transportation shall occur within 48 business hours from discharge or termination of programming.
