Introduction

The Secure Residential Treatment Unit (SRTU) is a 66 bed treatment program that will provide staff interaction, programming, and treatment for selected inmates. The SRTU is designed to support these inmates in achieving the highest level of functioning within a safe environment.

While housed in the SRTU, you will be offered a minimum of 20 hours out of cell programming each week. A minimum of ten hours will be structured activities led by staff and a minimum of 10 hours will be unstructured activities that are monitored by staff. Additionally you will work with the treatment team to develop a Behavioral Management Plan (BMP) specific to you.

The program is designed in phases. You will begin in the orientation phase and will progress until you are able to leave the program. Please see the phase descriptions below. Phase advancement is based on behavior, attitude, and participation.

The SRTU is an incentive based program. As behavioral stability is demonstrated, more privileges are earned. Inmates who engage in problematic behavior will not earn incentives until they demonstrate they are able to function more appropriately.

The rules in this handbook pertain to all Inmates in the SRTU. Additionally, you are responsible for knowing and following all the rules in the OSCI Institution Handbook and DOC 303. If you have not read the institution handbook, ask for a copy to read. If you have specific questions to the rules or policy, it is up to you to ask the appropriate questions. This handbook is just a guide to be used for general reference. Rules, policies, and procedures change frequently. You will be made aware of these changes. Ask questions if more clarification is needed. If you arrived from another institution, you will go through the OSCI Orientation.

A copy of the SRTU schedule will be provided to you when you first arrive. Schedules are subject to change without notice. Due to institutional needs, anything on the schedule can be cancelled.

You are here hopefully to change YOUR behavior. Attitude is a choice. We can provide you with the resources to change. We can show you how to apply those resources. It is up to you to use them.

GENERAL UNIT INFORMATION

Barbering/Haircuts

Inmates in SRTU may request barbering services. All barbering will be provided by the institution barber, on or off the unit dependent on your phase. Inmates interested in barbering services should submit a written request to the unit officer who will review the request. Inmates may receive haircuts every 28 days. To request a haircut in Phase 1 or 2, submit an interview request to the program sergeant. Requests will not be considered after the barber is on the unit.

Canteen

Allowable canteen will be determined by your Phase placement and your BMP. Canteen for W Building will be on alternating Wednesday afternoons.

Inmates will be given their canteen account statement which must be kept and turned in when canteen is received. Inmates will also be given a commissary order form, canteen menu price list and Keefe instructions on completing the commissary scan order form.

Canteen account statements and the commissary order form will be handed out on Friday the week before delivered canteen. Inmates should fill out the order form indicating the items they wish to receive. These forms cannot be folded. Forms must be ready to be picked up by staff at 9:30 p.m. Sunday night.

YOU MAY NOT KEEP THE PLASTIC BAG FROM CANTEEN. TURN IT IN PLEASE.

Communication

Routine questions and needs should be directed to unit staff as regular rounds are made and during dayroom times. You may also submit an interview request to staff. Call buttons in cells are to be used for emergencies only.

No yelling, whistling, or inappropriate comments are permitted at any time.

No talking (interaction) between SRTU and DU.

Please note: Unauthorized transfer of Property to a DU Inmate is considered a Major Offense. SRTU Inmates in Phase 1 – 3 should refrain from interactions with other W General Population Inmates.

Correspondence

Inmates can correspond with anyone in the community, as long as the correspondence does not violate any state or federal laws, DOC directives, or court orders. There are no limits on the amount of letters that can be sent out or received.

Inmate to inmate outgoing mail addressed to a correctional facility must remain unsealed. Any other outgoing mail to the community may be sealed. All outgoing mail may be subject to inspection.

Inmates must have complete name, number, institution name, and return address on the envelope. Letters without this will not get mailed. If it cannot be determined who is sending it, the letter will not reach its destination. All inmate outgoing mail will be stamped, "THIS LETTER HAS BEEN MAILED FROM THE WISCONSIN PRISON SYSTEM."

Correspondence with the unit manager, social worker or other professional staff will be by interview request only.

All outgoing mail should be given to security staff during HS med pass.

Count

There are four (4) standing counts held each day: 7:30 a.m., 12:25 p.m., 4:40 p.m. and 9:45 p.m. Non-standing counts are held during third shift.

The following announcement will be made prior to standing count time: "The time is now ____, time for standing count." Inmates will remain in their room and immediately stand in silence in front of their closed door, dressed in appropriate dayroom attire. Inmates will remain standing until the unit staff announces that the living unit count is clear. Inmates must remain in their room until the institution count has been cleared.

Health and Dental Services

All inmates should complete a Health Service Request (blue slip) or Dental Service Request (yellow slip) as you would in general population status. Please note all inmates housed on W Building are still responsible for a co-payment for medical services.

In the event of an emergency, notify the unit staff at once. Depending on your status, you may be seen on the unit by nursing staff or be escorted to the Health Service Unit.

If you are scheduled for an appointment in HSU, you will be excused from group. It will not count against you. If you need scheduled appointments for a long period of time that might affect programming, please discuss it with staff so we can attempt to accommodate your needs.

Laundry/Institution Clothing and Linen Exchange

All institution clothing must be exchanged during your assigned scheduled laundry exchange. You must exchange your sheets and pillow cases weekly as scheduled.

Law Library

Inmates may receive legal materials as you would in a general population status. Material must meet the security concerns of the living center. If an inmate has a pending documented court deadline, the Unit Supervisor/Designee may grant permission to go to the law library. A written request must be submitted to the Unit Supervisor and the documented court deadline will be reviewed.

Library (Living Center)

There is a small library available. You must request permission from unit staff during scheduled dayroom hours to view books. You will be allowed to check out one book at a time. The book must be returned prior to checking out a new book. The books in the satellite library will be periodically switched as to give inmates opportunities to read different types of books.

If you check out a book, please return it promptly and undamaged so all inmates will have the opportunity to use the services of this satellite library. You will be responsible for any damaged books. It is your responsibility to return all books before leaving the program.

Meal Schedule

Meal times are 6:30a.m., 11:00 a.m. and 4:00p.m. Times will be subject to change due to Institution needs.

You are encouraged to eat a properly well balanced meal.

Only two (2) 8 oz. cups are to be used at each meal. The cups are to be used for milk or water only. Inmates are allowed one (1) milk per meal. When 4 oz. juice cup is served, inmates are allowed (1) juice up for a total of 3 cups on their tray.

You will be allotted 20 minutes to eat your meal. The only food item you are allowed to keep in your room from your meal tray is one piece of fresh fruit which must be eaten within 24 hours.

Once you are seated you must remain seated. You may trade food with the people at the table with you.

You will eat your meals in the dayroom unless otherwise noted in your BMP or determined by staff.

The only items you may bring with you: Jalapeno peppers, ketchup, Mrs. Dash, hot sauce, mayonnaise, onion powder, picante sauce, mustard, season salt, Sweet and Low, garlic powder, honey.

Medication Schedule

Medication will be passed prior to the morning, noon, and evening meals. The HS medication time begins at 8:30 p.m.

Medication will be available in the east dayroom from the medication cart. Inmates are required to report to receive their medication unless otherwise told by staff. There are clear water cups available at the officer's station. At the medication distribution time you must report with (a minimum of 4 ounces of) water in the glass provided for medication use only. Once you have consumed the medication you will open your mouth and show your hands to the staff member proving you have consumed the medication. You will need to show the staff member that your water glass is empty.

The mouthing of medication is strictly prohibited and is considered a major offense of the 303. It is strictly enforced and carefully watched for. Consider the consequences.

All inmates **must** report for medication pass, even if they wish to refuse.

Psychological Services

Once enrolled in SRTU, you will be assigned a PSU staff member as your primary clinician. You will have regular meetings. While in Phases 1-3 you will be scheduled weekly. In Phase 4 every other week, and in Phase 5, you must submit a Psychological Services Request (green slip) as you would in general population status. If you are requesting to see PSU staff outside of these regular meetings, you must submit a Psychological Services Request.

Recreation

Program inmates may use the east dayroom outside recreation area during the hours identified on the schedule. You may take a drink, but no food.

Weather, unit operations, or disciplinary restrictions could affect recreation privileges. Following institution procedures, if outside areas are closed, you may have inside dayroom at staff discretion.

Once you leave the outside recreation area you cannot return to it. If you are on a Loss of Dayroom sanction and the outside area is closed, you may not use the dayroom. No exceptions.

Inmates are encouraged to take part in exercise periods outside their cell that are offered. It is important for inmates' health to periodically walk around while in their cell and/or to participate in other exercise activities. Extended periods of inactivity may cause serious health problems.

During Phases 1-3, indoor recreation in the OSCI gymnasium is on the SRTU schedule.

Room Information

Toilet information - only human waste and toilet paper may be flushed in toilet. No trash, cups, etc., may be placed in the toilets or sinks. The flushing of foreign objects down the toilets is not permitted. If maintenance has to be called for a blocked toilet and staff determine the current occupants of the cell are the reason for the blockage, a conduct report will be written, and restitution may be charged. The toilet system will allow you to flush your toilet 2 times within 5 minutes. If you attempt to flush the toilet more than 2 times, it will lock itself out for 30 minutes. It will not be reset.

Windows, vents and smoke detectors may not be covered in any way. Objects may not be placed on your windowsill. Do not cover your window or hang "drapes" to conceal yourself. You may not hang anything from your TV tray. Visual inspections of all areas at all times are needed by security staff.

You may clean your rooms with cleaning supplies during scheduled dayroom times only. Staff will check rooms for cleanliness. The following are guidelines that inmates will be expected to follow concerning housekeeping of rooms:

- Dust mop the entire floor.
- Empty wastebasket as needed.
- Surfaces such as desktop, bed frame, any ledge area and furniture should be kept dust- free at all times.
- Mirrors and window glass that is accessible should be clean.
- The use of baby powder, dryer sheets and prayer oil as a room deodorizer is not allowed.
- Wardrobes should be organized with all clothing hung up properly and folded neatly.

- The bulletin board or painted area on the wall if no bulletin board is present are the only areas material is to be posted.

Roommates – inmates in SRTU will have a roommate. Roommate requests may be directed to the program sergeant, however a change is not guaranteed. Inmates are encouraged to work through issues with roommates as this is an expectation in general population. If assistance is needed, inmates should ask staff. Inmates should lock up all keep on person medications as well as any valuables.

Outside windows are to remain closed from October 1st to May 1st.

After the 9:45 PM standing count, please respect those living around you. Refrain from talking from cell to cell. Yelling and making loud noises is strictly prohibited.

Sign In/Out Procedure

Movement is authorized by scheduled activities, all-call announcements, or staff direction.

Any time inmates leave the unit, they must sign in and out on the destination log which is available at the officer station. Inmates must sign **legibly** with first name, last name, room number and their destination. Failure to sign in and out immediately may result in discipline.

Inmates are to leave the unit no earlier than ten (10) minutes prior to the scheduled start time of assignment/program.

Inmates are only allowed to sign out for one activity/location at a time.

State-Issued Materials

Inmates must have a full set of greens.

Inmates will be held responsible for state-issued items in their cells (mattress, bedding, clothing, TV cable, handbook, etc.).

You should notify staff of damage immediately upon entering the room. Deliberate damage to these items will be dealt with through the disciplinary process and restitution.

Supplies

Every SRTU inmate in W Building will be given one roll of toilet paper by staff upon arrival. You are allowed to have a total of 2 rolls in your possession. Toothbrush, toothpaste and soap are available at the officer station during scheduled dayroom hours. It is staff discretion to provide supplies outside of dayroom hours.

Telephone calls

Telephone calls can be made during your dayroom hours only. You may make 2 phone calls each week while in phase 1 and 2 and you may make 3 phone calls each week while in phases 3, 4 and 5. Phone calls should be made during scheduled SRTU Dayroom times. Any requests for using the phone outside of the scheduled SRTU dayroom times should be made to the Unit Supervisor. Calls are limited to 20 minutes.

Visits

The visiting week begins on Wednesday and ends the following Tuesday.

Visiting hours are subject to change, check with unit staff for times.

Inmates are permitted three (3) visits per week, but only one may be on a weekend/holiday. Inmates may receive only one visit on any single day.

All inmates must wear a properly fitting state issued green shirt, green pants, including underwear in the visiting area. Only state shoes are to be worn to a visit.

Movement to the visiting room will be determined by phase placement.

Washers/Dryers

Washers/dryers may be used during your scheduled dayroom time beginning in Phase 2. You may not wash personal shoes or rugs on the unit. Bedspreads, linens and blankets must be exchanged and cannot be washed on the unit.

If you are having trouble with a machine, report it to unit staff.

Water/Ice Machines

SRTU may use the hot water and ice machine during scheduled times only. Ice will additionally be provided during heat advisories. Pitchers are not permitted to get ice or hot water.

SRTU PROGRAM INFORMATION

Behavioral Management Plan (BMP)

Staff members from the treatment team will meet with you to develop a written plan to improve problematic behaviors. The plan will identify target behaviors for you, appropriate staff responses to those behaviors and guidance for you regarding more constructive behaviors.

The BMP may also be used to assign which programming may be most beneficial to you or develop incentives specific to you.

Certified Peer Specialists (CPS)

CPS are other inmates that have been trained and certified to help in certain areas. They will be available on the unit to provide support for participants in the program. Support may include out-of-cell contacts with inmates, activities, escorting, tutoring and assistance with daily living skills. Please consider using them to help work out personal problems.

Incentives

Incentives are rewards for completing program activities. Staff will record your activity. The more you involve yourself the more you earn. The more you earn the more reward you may receive. See the incentive order form for what is available. Due to supply issues, some items may not be available for everyone all of the time. You will be given an incentive order form weekly. See Phase descriptions for use. OSCI has policies concerning property limits. It is your responsibility to follow these property limits, be careful what you order with canteen and incentives. Trading, lending, or giving your incentives to other inmates is against policy. Staff will watch you closely.

Points

Inmates will earn points to purchase incentives while participating in the program. Points may be earned in the following ways:

Behavioral points - Inmates who follow facility rules and regulations evidenced by not receiving a warning or conduct report or demonstrating any problematic behavior will earn a point for the day. **Maximum number of points earned is 7.**

Treatment points - Inmates earn two points for each hour of structured activity and one point for each hour of unstructured activity they attend without problematic disruptive behavior. Inmates who do not have an excused absence, who ask to leave group before it is finished or who are escorted out due to disruptive behavior do not earn points for that group. **Maximum number of points earned is 30.**

Cell cleanliness/hygiene points – Inmates who demonstrate the ability to clean their cell and maintain acceptable hygiene will earn a point for the day. **Maximum number of points earned is 7.**

Bonus points – Inmates may earn **6 bonus points** for attending and participating in all groups and meeting BMP requirements for one week.

Points are added up weekly. You will be told the number of points earned. You may use those points to order items or purchase privileges. You will be given an incentive order form to fill out. You must turn the order form in as directed. Incentives earned will begin to be distributed no later than the week following when they were redeemed.

Unused points may be carried over from week to week and month to month, but you may not use more than the total stated for each phase in a given week. Once a point or privilege is earned, it cannot be taken away. If you have questions on how your points have been tallied up, those requests should be made to the Program Sergeants during an appropriate time.

Out of Cell Activity

While housed in the SRTU, you will be offered a minimum of 20 hours of Out of Cell Activity. Ten (10) of these hours are considered structured and will be led by various staff throughout the week. The other ten (10) hours will be unstructured.

Follow your schedule. You may only attend groups which you are assigned. It is your responsibility to be at group on time. Do not show up to group more than 3 minutes early. Do not loiter in the dayroom waiting for group. Schedules are subject to change without notice. If a facilitator is absent, an alternative group might be scheduled. If an alternate group is not planned, it is treated as you have nothing scheduled for that time. BMPs may also determine out of cell activity.

If you attend, and then decide to return to your cell, you cannot return back to the activity.

Punch Cards

You will be issued a punch card every week to record your unstructured activities. It is your responsibility to make sure you get your card punched within 1 hour following any unstructured activity. Be courteous and respectful when requesting your card being punched, make sure it is appropriate timing. You may not possess someone else's punch card. If you lose your punch card, staff will issue you a new card without giving any credit for past activities. You may not possess the hole-punch.

SRTU Review Team

The SRTU Review Team is made up of unit staff that will work with you during the program. You will meet with them regularly to review your BMP and treatment goals.

Structured Activities

Structured groups are groups led by a staff member. You may only attend groups to which you are assigned. Programs are scheduled throughout the week and vary in subject. Every structured group is voluntary, however if you seek advancement into the next phase, you must display effort in attending at least 10 groups per week. Participation during group is also voluntary. If you decide not to participate during group you may not get credit for the group. If you are having difficulties please discuss it with the facilitator. If you attend, and then decide to return to your cell, you cannot return back to the activity

If you cause a disruption during group you will be asked to leave. If you are found sleeping you will be asked to leave. If you are late to group for an unexcused reason, it is the facilitator's discretion to allow you to join group. To obtain full credit for the group, assigned homework must be completed prior to coming to group. You must also be present for the entire scheduled group and provide some participation to receive full credit.

No unnecessary talking during group.

No food, candy, or gum is allowed in group.

You may bring a drink to group.

What is said in group, STAYS IN GROUP.

Timeout Cell

Due to behavioral and/or psychological needs, staff may place you in timeout cell status. Privileges will be restricted. No property unless approved by staff. Timeout is a non-punitive/non-disciplinary status utilized for treatment purposes and reflection. If you are placed into the time out cell, this is your opportunity to regain your composure and perspective. It is completely up to you if you want to make the change. The time out cell does not erase behavior decisions that you have made. Anything that has happened prior to

the time out cell placement you are responsible for. What you do inside the time out cell will determine if possible further discipline be imposed. This is a chance for you to determine the outcome of your behavior. It might remain a minor sanction or become a major conduct report, or an OBS placement. It is up to you. You may talk with CPSs, and staff through the door only.

Unstructured Activities

Unstructured activities are activities not led by staff. For example; meals, dayroom, outside recreation, and daily job duties. These activities are voluntary; however, if you seek Phase advancement you must display effort in attending as many functions as possible. If you attend, and then decide to return to your cell, you cannot return back to the activity.

PHASE Descriptions

Quick reference guide to off unit movement privileges

Phase	Haircut in F Building	Go out to the Yard	Religious service	Bible study	Rec with W GP in gym	Any OSCI Appointment	visit	Institution Library	Use center dayroom	Use Unit Laundry Room	Late dayroom
1			X*			X*	X*				
2			x			x	x			x	
3	x		x			x	x	x		x	
4	x	x	x	x	x	x	x	x	x	x	x
5	x	x	x	x	x	x	x	x	x	x	x

***Phase 1 Under CPS Escort ONLY**

PHASE 1 – 14 days or longer based on SRTU Team recommendation

Phase 1 – Description

This phase consists of admission to the program and orientation to the rules of the unit, program and institution. You will be given an explanation of behavioral expectations, the phase system and provided a schedule of program activities. Your initial behavioral management plan will be developed. Phase advancement is based on; behavior, attitude, and participation.

Phase 1 - Showers/hygiene

Showers will be offered according to the program schedule. SRTU Phase 1 may only shower during scheduled times.

Inmates will be expected to use soap, brush teeth and put on clean clothes. Failure to display proper hygiene may require intervention on your BMP. This intervention may include attending educational sessions on proper hygiene.

Phase 1 - Recreation privileges

Outside recreation in the designated unit area, as scheduled. If you are on a loss of recreation sanction or building confinement, you may not go to unstructured outside recreation.

Phase 1 - Movement privileges

Inmates will be allowed to attend visits and religious services off the unit and may be escorted. When you are not in group or involved in an unstructured activity, you must remain in your cell with the door secured unless staff direct you otherwise.

Phase 1 - Library

Inmates may use the unit library. If you have an active court case and need to use the Law Library, submit an interview request to the Unit Supervisor.

Phase 1 - Incentives

Inmates may not earn incentives during this phase.

Phase 1 - PSU

You will be introduced to your assigned Clinician. If you need to talk to a Clinician you must submit a PSU request slip.

PHASE 2 - 60 days or longer based on SRTU team recommendation

Phase 2 - Description

Phase 2 will be used to determine appropriate programming needs, adjust the BMP and introduce the incentive program. Phase advancement is based on; behavior, attitude, following your BMP, and participation

Phase 2 - Showers/hygiene

Showers will be offered according to the program schedule. SRTU Phase 2 may only shower during scheduled times.

Inmates will be expected to use soap, brush teeth and put on clean clothes. Failure to display proper hygiene may require intervention on your BMP. This intervention may include attending educational sessions on proper hygiene.

Phase 2 - Canteen

Inmates will receive the same canteen as general population inmates. Canteen will be delivered to the unit.

Phase 2 - Recreation privileges

As posted on the schedule, Phase 2 will use the designated program outside Recreation Area.

Phase 2 - Movement privileges

Phase 2 will be allowed to attend visits and religious services off the unit. Unless otherwise directed by staff; when you are not in group or involved in an unstructured activity, you must remain in your cell with the door secured.

Phase 2 - Library

Inmates may use the unit library only. If you have an active court case and need to use the Law Library, submit an interview request to the Unit Supervisor.

Phase 2 - Incentives

During phase 2 inmates may use up to 40 incentive points per week.

Phase 2 - PSU

You will meet with your Clinician on a weekly “one on one” session. If you need to talk to your Clinician outside of scheduled times you must submit a PSU request slip.

PHASE 3 - 60 days or longer based on SRTU team recommendation

Phase 3 - Description

Phase 3 will introduce increased responsibility and fewer restrictions. Phase advancement is based on; behavior, attitude, following your BMP, and participation.

Phase 3 - Showers/hygiene

Showers will be available during scheduled SRTU dayroom hours or when posted on the Program Schedule.

Phase 3 - Canteen

Inmates will receive the same canteen as general population inmates.

Phase 3 - Recreation privileges

As posted on the schedule, phase 3 will use the designated program outside recreation area.

Phase 3 - Movement privileges

Phase 3 will be allowed to attend visits, the institution library and religious services, off the unit. Phase 3 may also go to the barbershop for haircuts. While on the unit, when you are not in group or involved in an unstructured activity, you must remain in your cell with the door secured.

Phase 3 - Library

Inmates may use the institution library.

Phase 3 - Incentives

Phase 3 inmates may use up to 50 incentive points per week.

Phase 3 - PSU

You will meet with your Clinician for a weekly “one on one” session. If you need to talk to your Clinician outside of scheduled times you must submit a PSU request slip.

PHASE 4 - 60 days or longer based on SRTU team recommendation

Phase 4 - Description

Phase 4 is the final phase before transitioning into a GP setting. Phase advancement is based on; behavior, attitude, following your BMP, and participation.

Phase 4 - Showers/hygiene

Showers will be available anytime during W-GP dayroom hours.

Phase 4 - Canteen

Inmates will receive the same canteen as general population inmates.

Phase 4 - Recreation privileges

Inmates will be allowed outside recreation on the North recreation field, the indoor Gymnasium, or may use the outside program recreation area as scheduled.

Phase 4 - Movement privileges

Inmates may attend W building general population activities as scheduled. To ensure Phase advancement you must continue attending structured activities, and follow your BMP as outlined.

Phase 4 - Incentives

Phase 4 inmates may use up to 75 incentive points per week. This is the last phase when incentive points may be earned. All incentive points must be used by the end of this phase or they will be lost.

Phase 4 - PSU

You will meet with your Clinician for a bi-weekly "One on One" session. If you need to talk to your Clinician outside of scheduled times you must submit a PSU request slip.

PHASE 5 - 90 days or longer based on SRTU Team recommendation**Description**

Phase 5 is the final phase of the program. An inmate attaining this phase is considered ready to begin reintegrating into a general population or other housing unit deemed appropriate by the SRTU Review Team. Phase 5 inmates may be permitted to reside on units other than the established SRTU while attending SRTU programming. The program will be completed after 90 days without any significant incidents of behavioral or mental health regression. If you need to talk to a Clinician you must submit a PSU request slip.
