

WAUKESHA UNIT RESTRICTIVE HOUSING UNIT (RHU) HANDBOOK

This handbook provides you with rules and regulations associated with being housed in the Restrictive Housing Unit (RHU). This handbook is not intended to be all-inclusive, but rather a guideline of expectations. In addition to this handbook, you should refer to the administrative rules on discipline (DOC 303) and other RCI handbooks. If you are unsure as to any of the rules or regulations, please ask one of the assigned staff members.

You must return this handbook in the same condition as when it was given to you. If this handbook is torn, ripped, written-in or damaged in any way you will held responsible and could face discipline, which may include restitution.

ADMINISTRATIVE CONFINEMENT

Administrative confinement is an involuntary non-punitive status for confinement of inmates in an RHU whose continued presence in general population poses a serious threat to life, property, self, staff, other inmates, or to the security of the facility.

BARBERING PROCEDURE

Barber services will be made available for unit inmates, except those in TLU and ADJ. DSP inmates that have received less than 30 days will not be eligible.

Requests for haircuts must be sent to the 2nd shift Sergeant for approval. All inmates will be restrained with handcuffs, behind the back, prior to leaving cells for haircuts or shave and will remain in handcuffs during the haircut. Inmates who are on two-officer escort will be further restrained with leg irons. Eligible inmates are permitted one haircut per month and may have a shave 2 times per month. You may only receive a haircut or facial trim. Shaves will be on Friday during 1st shift and haircuts on 2nd shift.

Inmates in STEP 3 Status may request to have possession of their personal electric razor (if they own one).

CANTEEN PROCEDURE

Inmates will be permitted to submit canteen orders weekly. Canteen forms can be requested on supply days. Canteen orders are due Wednesday night by the time 3rd shift picks up mail. Canteen will be delivered on Friday's 2nd shift.

Inmates may only order items listed on the specific order form for the status they are in, not for a projected status. Inmates on the approved "Indigent Legal Loan" will order supplies via canteen.

Maximum limits and restrictions noted in this handbook and on the canteen order form will be enforced. Excess canteen items may be destroyed or returned to seg property.

COUNTS

Counts are conducted at 7:30 a.m., 12:30 p.m., 4:40 p.m., 9:15 p.m., 12:00 a.m., and 3:00 a.m. Inmates must be secured in their cells during count, or in a shower stall if necessary.

EXERCISE / DAYROOM for Administrative Confinement, TLU, and Program/Disciplinary status

Recreation is scheduled as follows:

W/E recreation days are Tuesday, Thursday and Sunday.

W/W recreation days are Monday, Wednesday and Saturday.

It is the inmates responsibility to request recreation from staff during the breakfast meal before they accept/refuse their meal on the designated days. Weather permitting, exercise will be offered three times per week if possible and each exercise period will be one half-hour minimum - one hour maximum.

Inmates are encouraged to take part in exercise periods outside their cell that are offered. It is important for inmate's health to periodically walk around while in their cells and/or participate in their exercise activities. Extended periods of inactivity may cause serious health problems.

Inmates will be pat searched going to and strip-searched upon returning from exercise. This means you will be strip searched when re-entering the unit, and braids will have to be removed beforehand.

Inmates will be escorted on a one-on-one basis to the outside exercise area and will be restrained with their hands cuffed behind their back. The handcuffs will be removed when the Inmate is secured within the exercise area. If the inmate is on a "Two-Officer Escort" restriction, leg restraints will also be used.

Inmates that create a threat to the safety and security of the unit can be denied exercise or have their exercise terminated after approval for such has been received from a shift supervisor. This pertains to the day in question only unless otherwise directed by the RHU Supervisor.

No personal property may be taken to the exercise area.

Inmates in Control status or Observation status are not permitted exercise.

Admin. Confin. Inmates are only allowed to participate in dayroom with permission from the RHU Supervisor

Dayroom activities may include TV and cards. Officers will make a round of the unit to ask eligible STEP 3 inmates whether or not they wish to participate in dayroom activities. Inmates must come out for dayroom activities at the start of the activities. Inmates may, however, return to their cells once they have entered the dayroom but may not return to the dayroom. Only reading and writing materials, playing cards and games will be allowed in the dayroom area. Inmates using the dayroom are not permitted to speak to other inmates not participating in dayroom. Inmates are not allowed to pass property while in the dayroom.

HEALTH SERVICES

Inmates wishing to see a member of the Health Services Unit staff should submit a Health Services Request to a unit officer who will route the request to Health Services. Health Services staff will contact the first shift sergeant to arrange a time to conduct sick call and/or medical examinations on the unit, Monday through Friday. In a medical emergency, an inmate should push the call button in his cell and an officer will respond to learn the nature of the emergency and forward that information to the Health Services Unit. Nursing staff also do rounds on the unit.

Pushing the emergency call button for reasons other than medical emergencies may result in disciplinary action.

Routine re-orders of prescription medication may take up to ten days. Re-order well in advance. It is your responsibility to re-order your meds.

Your medication will be brought to your cell for your immediate consumption. If you fail to consume your meds immediately, or to satisfactorily show the officer the inside of your mouth, you will be issued a major conduct report for Misuse of Controlled Medication. Additional security precautions may be imposed. **Inmates in the Waukesha unit may keep non-controlled medication in their cells. Misuse of non-control medication may result in the issuance of a conduct report and inmates may face disciplinary action.**

PROGRAM EXPECTATIONS – STEP PROGRAM

The Waukesha Unit STEP Program has been developed in order to assist Inmates in Disciplinary Separation to re-examine their decision-making process and learn how to make more constructive choices. This program uses evidenced based cognitive behavioral programming. You may be assigned to do programming individually, in a group or with the Social Worker.

If you receive 30 DS or more, the RHU Review Team will review your history and assign a program intervention for you to complete as one part of earning your halftime. This process is called your Initial Review. The second part that is considered for earning your halftime, is your behavior in RHU.

The RHU Review Team consists of the Security Director, Unit Manager(s), Programs Capt., Social Worker(s) and Psychologist. The RHU Review Team holds Step Reviews every Wednesday.

Everyone in RHU must be reviewed every 30 days. Half Time Reviews will review your behavior in RHU, as well as your program intervention that you were assigned. It is important to remember that your release at half time is not guaranteed. If you have questions, you can direct those to the RHU Supervisor(s) or Social Worker.
