Emergency Procedures

Severe Weather/Fire/Natural Disaster
In the event of severe weather, fire or natural disaster, you will be directed to safe areas by staff. You are required to follow all staff directions to ensure an orderly and safe response. Instructions regarding fire and tornado procedures and evacuation routes are posted in all areas. Drills are conducted periodically to ensure preparedness.

Resources

The Prison Rape Elimination Act (PREA)
The Prison Rape Elimination Act of 2003 was enacted to address the problem of sexual assault of persons in the custody of U.S. correctional agencies. The Wisconsin DOC and RGCI recognize the seriousness of prison rape and the impact this has on the victim in addition to the correctional environment, the community and society as a whole. The detection, prevention, and punishment of prison rape are a priority and an integral component of operating a safe and secure facility. The Wisconsin Department of Corrections does not tolerate any type of sexual misconduct.

If you have been sexually assaulted, or have knowledge of a sexual assault, it should be reported immediately. You may report any act of sexual assault or sexual harassment in writing or verbally. Verbal reports can be given to any staff member who will immediately pass it on to his/her supervisor. Written reports can be submitted to any staff member or be documented on a DOC-400 Offender Complaint form and placed in the complaint box on each unit. All reports will be taken seriously and fully investigated. PREA Reporting lines (#777) and (#888) have also been made available to make PREA related reports.

If you would like further information regarding Sexual Abuse/Assault Prevention and Intervention, please refer to the red booklets distributed by the Department of Corrections, Division of Adult Institutions.

Americans with Disabilities Act (ADA)
Redgranite Correctional Institution is committed to assuring compliance with the Americans with Disabilities Act (ADA). RGCI will adhere to all applicable federal and state laws, regulations, and guidelines with respect to providing reasonable accommodations and equal access to services as required affording equal opportunities to disabled individuals. Discrimination against any disabled individual is prohibited. The ADA Coordinators at RGCI are listed in the Rock Report which is posted in your unit. To request consideration for accommodation under the ADA, please forward your request to an ADA Coordinator on a DOC-2530 Reasonable Modification/Accommodation Request.
**Suicide Prevention**

When in prison, some people may start to feel hopeless or even have thoughts of suicide. If this happens, please remember that there are ways to improve nearly any problem or situation. As time passes and circumstances change, what is now a big problem may turn into a smaller problem. If a person cannot think of solutions to a problem, it does not mean that other solutions do not exist. It simply means that he is currently unable to see other solutions by one’s self. Suicidal thinking is treatable. Do not keep suicidal thoughts to yourself. Please contact staff so that we have an opportunity to help.

Similarly, if someone has reason to suspect that another person is thinking of harming himself, please contact staff so that we can offer our help. Warning signs could include giving away possessions, saving up medication, saying goodbye, making unexpected apologies, writing a will, sudden depression or withdrawal from others.

If someone needs to speak to someone in Psychological Services, they may send a DOC-3035B Psychological Services Request form to PSU. If the situation is urgent, contact any DOC staff member.

**Chain of Command**

Part of responsible living is resolving issues through appropriate staff contact. The RGCI Chain of Command, outlined below, identifies who you should go to first if you have a question or concern. This information is provided for your use as a problem-solving tool. You are encouraged to use this tool to resolve issues at the lowest level. If necessary, you can then move to the next level. Failure to contact the appropriate staff may delay a response as you may be redirected to contact the correct staff person. Please note that staff has 10 working days to respond to your correspondence.

The complaint system should be used when problem-solving efforts are not successful. Keep in mind that use of the chain of command in no way extends the time limits for filing a complaint; you must still file within 14 days from the date of occurrence giving rise to the complaint. If you have written someone listed in the chain of command before filing a complaint, state that in your complaint and/or submit any response you have received from a staff member regarding your issue.

This list is not all-inclusive. If you have an issue outside of what is listed, the best place to begin is by asking your unit officer or sergeant.

### Inmate Complaint Review System (ICRS)

**Overview:** The Department maintains an inmate complaint review system accessible to all inmates in institutions. Prior to filing a formal complaint, you must attempt to resolve the issue by following the designated process specific to the subject of the complaint. If you have not done so, the Institution Complaint Examiner (ICE) may direct you to do so.

- Inmates who do not feel comfortable using English to file a complaint may file in their native language.
- Complaint submissions must provide relevant supporting documentation, which may be accepted at the discretion of the ICE.

An announcement will be made over the PA announcing five minutes before the count starts. Beginning with the closure of dayrooms, use of the bathroom or any other area on the unit is not permitted, unless approved by staff, until the count is cleared. When the count is announced, you will remain in your cell, door closed standing next to your bunks with the cell light on, arms at their sides, and directly facing the door within plain sight of the staff conducting count. You will be dressed in a shirt and either pants, sweat pants, or shorts. Headphones will not be worn while count is in progress. No movement or talking is allowed and all electronics must be turned off. Movement or talking outside of the cell is not permitted until the institution count is cleared. This will be announced over the PA.

Housing Unit Information

Unit Placement
Those who have completed orientation will be transferred from H North as soon as bed space allows to the unit most appropriate to their assigned needs. Requests for housing on specific units will not be honored. If you have concerns about the need for separation from another individual, please submit a DOC-1803 Request for Separation form to unit staff. You should contact unit staff immediately if the concern is urgent.

Cell Assignments
Moving Between Cells/Units: You shall move your personal and state-issued property to your new cell. Items that must remain in the vacated cell include: the mattress (unless medically assigned) and wastebasket. You must clean the cell before moving. Cell and locker keys must be turned into the unit Sergeant. Prior to moving into a new cell, you will be issued a DOC-1455 Cell Inspection Card upon which any problems or damage should be documented. Staff will ensure that any reported damage to the cell is documented and repaired. Failure to report pre-existing damage shifts the responsibility for the damage to the present occupant.
Double-Celling: All cells at RGCI are compatible for double-celling. All persons in our care are double-celled unless significant, verified, and documented medical issues preclude double-celling.

Cell Searches
Cells will be both searched and inspected on a regular basis. Inspections will occur daily for proper sanitation and cleanliness. You are required to comply with all search procedures as directed. If you are in your cell when a search or inspection takes place, you will be asked to leave your cell and sit quietly in the dayroom. Medical restrictions, authorizations and/or equipment approved at another institution will be reviewed upon intake at RGCI to determine if the restriction, authorization or equipment is medically required at this facility.

**Reclassification Committee**

RGCI classification specialists are assigned to RGCI, but employed by Bureau of Offender Classification and Movement (BOCM). As such, they operate under the direction of the BOCM director; the Warden has limited authority in this department.

The classification specialists coordinate scheduled reviews of custody classification and institution placement. Regular classification hearings are conducted in accordance to DOC Administrative Code 302 at least once every twelve-month period.

There are two (2) types of reviews, as follows:

- **Scheduled Reclassification (RC) hearings** occur in accordance with regular scheduled recall date.
- **Early RC hearings** are held only when a significant change in circumstances occur affecting custody and/or placement. You may submit a DOC-2212 Early RC Hearing Request to your social worker. The classification specialist will determine if an early review is appropriate.

For scheduled and early reviews, the assigned social worker will document your adjustment, program assignments and other relevant factors and make a recommendation regarding institution placement and custody level.

You have the option to waive the RC hearing appearance. If you disrupt the RC hearing or refuse to attend, the hearing will continue without your presence.
The classification review may be suspended to investigate or acquire information affecting custody classification institution placement and/or program assignment. The conclusion of this hearing may exceed the twelve (12) month period.

Following the hearing, you will receive a copy of the Reclassification report in the institution mail from the classification office.

You have a right to appeal the procedural errors that occur and decisions that are made during the classification hearing by submitting a completed DOC-1292 Request for Review of A&E or Program Review Action to the Director of the Bureau of Offender Classification & Movement, P.O. Box 7925, Madison, WI 53707. Requests for review of decisions may be made only if you believe that the decision was based on erroneous information.

You are responsible to communicate with your social worker when changes occur which could affect your classification. Please send a DOC-761 Interview/Information Request form to the classification specialists to address issues regarding your custody classification, future institution placement, and program assignments.

**Records Office**

Records Office staff are responsible for calculation of all parole eligibility dates (PED), mandatory release (MR)/extended supervision dates, and maximum discharge dates, including all adjustments to these dates based on additional sentences or sentence modifications. Those who wish to petition the courts for sentence adjustment under §.973.195, should follow the procedure available in the library. The record office staff schedule all parole appearances and coordinate releases in conjunction with your assigned social worker.

Record office staff also maintains all social service and legal files. The records supervisor is also designated as the open records custodian for these files, and as such, any requests for information from these files must be reviewed by this person. (Note that information regarding medical, educational, or psychological files must be reviewed in those respective departments.)

**Parole Commission**

Record office will coordinate appearances from the Parole Commission as statutorily required for all. You will be advised of your upcoming appearance by your social worker, who will be responsible for submitting your parole plan and information on your adjustment and program participation to the Parole Commission. The dates of parole hearings will be announced as scheduled via the Rock Report. Please refer to Administrative Code 302 for more information.
Legal Assistance for Institutionalized Persons

LAIP is an educational program in which University of Wisconsin students learn to practice law by assisting those in our care under the supervision of a trained attorney and faculty member. LAIP provides free legal assistance in most Wisconsin prisons on certain criminal and civil law issue sentence modifications and appeals (divorce, custody issues).

LAIP will not provide help on the following topics:
- Prison disciplinary issues
- Suits against the institution or staff (i.e. “conditions of confinement” suits)
- Civil lawsuits seeking money damages against other parties.

LAIP information and applications are available in the library. Those who wish to apply should complete the “Application for Legal Assistance” form and mail it directly to the address indicated on the form.

- Saturday, Sunday and holidays: 8:00 a.m. – 3:30 p.m. (2 hour visits)

The visiting week runs from Monday to Sunday. You are permitted three visits per week, only one of which may occur on the weekend (Saturday - Sunday).

Visiting Lists/Visiting Rule/Extra/Extended Visits/Professional Visits: Please refer to DAI Policy 309.06.01 Visiting.

Visiting Room Photographs: A photographer will be available to take photos during regular visiting hours. Those who have not received a visit within the past 60 days may have their photo taken by submitting a request to the visiting room sergeant.
Work & Program Assignments

Work Assignments
A complete list of institution work assignments will be posted in the housing units and the RGCI Library. (The RGCI Library will maintain a binder of all position descriptions.) You may apply for a position by completing DOC-2118 Offender Work Application, and submitting it to the third shift sergeant. The sergeant will ensure that you are eligible for this assignment, that you meet the educational and physical requirements of the job, and that there are no mandatory program/education conflicts, before submitting it to the appropriate work supervisor. Any application not submitted to the work supervisor will be returned to you by the unit sergeant, with an explanation of why it was not submitted.

Work supervisors may interview applicants and explain the job expectations and work rules. If you are selected for a position, the work supervisor will complete a DOC-1408 Work/Program Placement Form and forward it to payroll. When payroll completes the placement, a copy will be distributed to the work supervisor and you.

All positions and assigned pay ranges are reviewed and recommended in accordance to DAI Policy 309.55.01 Compensation Plan. All positions are limited to 40 hours per week. Every attempt shall be made to consistently use those in involuntary unassigned status for situations requiring additional hours to be worked, including emergency situations.

Program Assignments-Education
There are educational programs available to those who have identified educational needs, ranging from adult basic education to an HSED (high school equivalency diploma) program.

DAI has a mandatory education policy; educational needs take priority over employment. If you have an identified education need, you will be required to meet this need prior to getting an institution work assignment. The only exception to this is those who are unable to enroll in school due to space limitations and are placed on the school waiting list. In this case you may be employed, but will be required to begin the school program when it becomes available. If you refuse to enroll in school you will be placed in voluntary unassigned status. For more information on these programs and enrollment, please write to the Education Department.

Pay
Pay periods will be posted on each housing unit. Pay deposited into your account will be reflected on the monthly account statement. You will not receive a receipt from this deposit. Questions regarding pay should be addressed to the work or program supervisor.

The following is the hourly pay rate for an eight-hour day, pursuant to DOC Administrative Code 309.55:
Revised 05/15/20

- VOLUNTARY UNASSIGNED $0.00/HOUR
- INVOLUNTARY UNASSIGNED / SICK CELL $0.05/HOUR
- RANGE 1 $0.12/HOUR
- RANGE 2 $0.19/HOUR
- EDU/PROGRAMS $0.15/HOUR
- RANGE 3 (WORK ASSIGNMENT) $0.26/HOUR
- RANGE 4 $0.35/HOUR
- RANGE 5 $0.42/HOUR

Involuntarily Unassigned Status & Work Waiting Lists

Unfortunately, the number of those housed at RGCI is greater than the number of work and school assignments available at this institution. Therefore, there will be those who are willing to work, but are unable to do so because there are no available positions. These individuals will be identified as involuntarily unassigned, and will be paid $.05 per hour for 40 hours per week. This is the status that everyone will be placed in upon arrival until they are assigned to a work or program assignment. Those in this status are paid because they are expected to complete unit or institution work when directed to do so.

Voluntary Unassigned Status (VUNA)

Those who refuse to accept an institution school/program assignment, quit a job without pre-approval from the work supervisor, or are negatively removed from a school/program or work assignment, will be placed in voluntary unassigned status, for which there is no pay. Voluntary unassigned individuals will not be permitted to attend recreation or library periods during morning or afternoon periods. You will be required to remain in this status for 90 days and must request removal from this status by sending a request to the department that placed you into VUNA status. Requests for acceptance into school or programming while in VUNA status will be reviewed on a case-by-case basis.

Removal from Assignments

The decision to remove an individual from his work or program assignment rests with the work/program supervisors. Job appeals may be directed to the department head within ten days of the job removal via DOC-761 Interview / Information Request. If dissatisfied with the response from the department head, you may submit a complaint through the ICRS. Please see DAI 309.00.01 Work Placement policy for more information.
