.05 PRESENTENCE INVESTIGATION OUTLINE

The Investigation Worksheet (DOC-180) is a guide for the preparation of a Pre-Sentence investigation (PSI). All topical areas contained in the outline should be discussed with the defendant. Other areas, as applicable should be discussed with collateral resources. The Sexual Behavior and Military sections are to be completed only if relevant to the case. If a particular topic heading is not relevant to the case, the topic heading must still be included but noted that it is not applicable.
