

DIVISION OF JUVENILE CORRECTIONS
JUVENILE CORRECTIONAL FACILITY POPULATION DATA

General Notes

- Reporting statistic is Average Daily Population (ADP).
- Reporting timeframes include calendar years (CY) 2018-2022.
- Population includes youth in juvenile correctional facilities (JCFs): Lincoln Hills School, Copper Lake School, and Mendota Juvenile Treatment Center (MJTC).
- Population data excludes youth under State guardianship, youth in Wisconsin under the Interstate Compact for Juveniles, secure detention youth, and youth sanctioned from a Type 2 residential care center for youth. These youth averaged 0.8 ADP over the reporting period.

Because youth may have multiple concurrent commitments, the Division of Juvenile Corrections (DJC) uses the following classification hierarchy:

- Adult Commitments: Youth convicted in adult court who are under the age of 18.
- Serious Juvenile Offender (SJO) Commitments: Typically 5 year commitments (facility and community time). SJO youth are adjudicated delinquent for committing one or more of a certain list of serious offenses designated in statute (generally Class A, B, or C felonies).
- Juvenile Commitments: Typically one year commitments (facility and community time).
